

LAUNCHING A LEGACY

RED BANK FELLOWSHIP CHURCH
LAND AND GENERAL FUND CAMPAIGN

Launching a Legacy: Building a Place. Growing a People.

Red Bank Fellowship Church is stepping into an exciting new season!

We are launching a campaign to secure land for our future home and sustain ongoing ministry, so we can grow in place and impact lives for generations to come.

This is about more than property—it's about planting deep roots in our community and building a legacy of faith that will last.

How You Can Be Part of the Legacy

Pray – Ask God to guide our church family as we take this step of faith.

Prepare – Over the next several Sundays, we will hand out Launching a Legacy pledge cards during services.

Take your pledge card home. Pray over it with your family. Seek God's direction about your commitment to the Land Fund and/or General Fund.

Present – On Commitment Sunday, September 14th, bring your completed pledge card to the service as an act of worship and faith.

Every prayer, every pledge, every act of faith strengthens our ministry today and builds a future for tomorrow.

 Give online, in person, or text RBFC to 73256
