School Community Council Meeting Agenda & Minutes

1. **Welcome**
2. **Council Chair Report – Meghann**
3. **Land Trust Update**
 - The council reviewed the upcoming plan.
 - It was discussed that the plan is very similar to last year's, with increases due to rising costs. Software prices have increased, as well as wages. The plan also includes extending the ½-day paraprofessional position to a 5.9-hour-per-day paraprofessional position.
 - A parent asked about including the JA City experience for 5th grade. It was decided that if 5th grade teachers choose to participate, other funds would be used to support that experience.
 - A vote was called by Meghann and seconded by Whitney.
 - The vote was unanimous in favor of approving the plan. All votes were yes.
4. **TSSA Plan Review**
5. **Community Comment**

Adjournment

Meghann adjourned the meeting.
