However, any funeral arrangements you select will include a charge for our basic services. If legal or other requirements mean you must purchase any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services of Funeral Director and Staff \$2600

This is the basic charge to each family we serve for our professional expertise in assisting them. It includes but is not limited to a proportionate share of the taxes, licenses, utilities, insurance, wage and benefit compensation, state, federal, and local regulatory compliance, and other business expenses necessary to serve the public in a professional manner. Also included in this charge are the consultation with the family, clerical and administrative services, preparation and filing of necessary permits, consultation with the clergy, cemetery, crematory or common carrier, planning the funeral and placement of obituary notices. There will be an additional charge for the direction and supervision of each service requested or required. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select (this fee is already included in our charges for direct cremations, immediate burial, and forwarding or receiving remains)

Embalming \$885

Embalming is a chemical process, which provides temporary preservation of the body and eliminates certain health hazards. A person licensed by this state must complete the procedures. Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial
