FUNERAL GOODS & SERVICES PRICE LIST

The goods and services shown below are those we can provide for our customers. You may choose only the items you desire. **However, any funeral arrangements you select will include a charge for our basic professional services and overhead.** If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. This list does not include prices for outside services, such as cemetery fees, airfare, flowers, obituaries, etc. The prices for those items will be itemized on your invoice.

BASIC PROFESSIONAL SERVICES OF FUNERAL DIRECTOR & STAFF \$2,095

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.) Our professionally trained staff is available 24 hours a day, 365 days a year to respond at your time of need. Our staff will meet with your family for an arrangement conference to plan services and coordinate with all necessary parties (church or venue, cemetery, crematory, clergy, military honor guard, florist, escorts, musicians, printer, etc.). Our staff will complete, submit and file the death certificate, order certified copies, submit obituary to selected newspapers, place obituary online, inform Social Security and any other clerical needs associated with the funeral arrangements.
