Your rights

Our mileage guarantee is in addition to other rights and remedies that you have under a law in relation to the goods that we provide. Further, our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Making a claim

Hopefully you'll achieve the mileage and be happy to purchase another set of Kumho tyres.

In the event that you did not achieve the guaranteed mileage, return the Kumho tyres to your Kumho dealer set out in the 'place of purchase' section of the service schedule.

You will need to provide proof of purchase, service booklet (with proof of required completed services to date), and service invoices.

The Kumho Tyres mileage guarantee

Introducing the Kumho Tyre Australia Mileage Guarantee for the Kumho Road Venture HT52 and Crugen HT51 fitted to SUV, RV and 4x4 vehicles.

As a global manufacturer of high tech tyre products, Kumho is so confident in its product it will guarantee you a specified mileage result for the Kumho tyres you have just purchased.

This is how it works

Once you have purchased your Kumho tyres under this guarantee simply log onto www.kumho.com.au/mileageguarantee and enter your details online to register. The registration form provides your details, the tyre dealer's details, invoice details, tyre serial number as well as the mileage on your vehicle at time of fitment.

Keep your mileage service booklet (Kumho recommend you keep the service booklet and original invoice together with the vehicle's log books). Every 10,000km take your tyres to your Kumho Tyre dealer for a service.

Once you achieve the mileage we trust you will be happy to purchase another set of Kumho tyres.

In the event that you did not achieve the guaranteed mileage, return the Kumho tyres to your Kumho dealer set out in the 'place of purchase' section of the service schedule.

This guarantee is of a pro-rata basis. That is, if you achieve only 90% of the guaranteed mileage we will refund you 10% of the purchase price.

In between services ensure your tyres are inflated to the correct pressure. Inspect your tyres regularly for damage.
