## Lighthouses & Shipwrecks

June 15-22, 2027

Discover the rugged beauty, rich maritime heritage, and timeless charm of North America's greatest freshwater lake on this unforgettable journey through Minnesota and Wisconsin. From dramatic shorelines and towering lighthouses to picturesque harbor towns and pristine island landscapes, this carefully crafted adventure blends breathtaking scenery, fascinating history, and memorable experiences into one remarkable Great Lakes vacation.

Your tour begins in the Twin Cities before traveling north to Duluth, the historic gateway to Lake Superior. Explore the city's vibrant waterfront, discover the stories of Great Lakes shipping and legendary shipwrecks, and step aboard a beautifully restored vintage train for a scenic ride along the lake's spectacular shoreline. Along Minnesota's famed North Shore, visit Gooseberry Falls and the iconic Split Rock Lighthouse, perched high above the lake on dramatic cliffs, while enjoying one of America's most scenic coastal drives. A guided tour of the magnificent Glensheen Mansion offers a glimpse into the elegance of the Gilded Age.

Crossing into Wisconsin, you'll settle into the welcoming lakeside community of Ashland, known as the Historic Mural Capital of Wisconsin. Here, colorful outdoor murals celebrate the region's lumber, railroad, and shipping heritage, while the relaxed pace of life along Chequamegon Bay invites you to slow down and savor the beauty of the Northwoods.

The highlight of the journey awaits in Bayfield, where you'll cruise among the breathtaking Apostle Islands National Lakeshore. Glide past forested islands, historic lighthouses, and the remarkable sea caves that have been carved by centuries of wind and waves. Another memorable day takes you by ferry to Madeline Island, where Ojibwe history, charming shops, quiet waterfront streets, and beautiful lake views create one of the Midwest's most treasured island experiences.

With comfortable waterfront accommodations, thoughtfully selected dining, unforgettable scenery, fascinating maritime history, and the warm camaraderie that comes from traveling with OregonWest Excursions, **Lighthouses & Shipwrecks of Lake Superior** offers the perfect blend of discovery, relaxation, and classic Great Lakes adventure.
