STORM WATCHING & KING TIDES

4 DAYS / 3 NIGHTS • NOVEMBER 16–19, 2027

1 DAY 1 – ASTORIA & CANNON BEACH (L, D)

West through the Coast Range to Astoria and the Columbia River Maritime Museum, where the stories of the Columbia River Bar come to life. Lunch on the waterfront, the 1880s Flavel House, and the Astoria Column high on Coxcomb Hill. Check in at our oceanfront resort steps from Haystack Rock and our Welcome Dinner.

2 DAY 2 – HAYSTACK ROCK, TILLAMOOK & DEPOE BAY (B, L, D)

A free morning on the beach at Cannon Beach, then south through Tillamook dairy country. The spouting horns on the Depoe Bay seawall, the Whale Watching Center, and the Devils Punchbowl at Otter Rock. Two nights at our oceanfront lodge in Yachats and dinner in the village.

3 DAY 3 – THE YACHATS RIVER & CAPE PERPETUA (B, L, D)

The red North Fork covered bridge up the Yachats River valley and a stroll through the village. After lunch, Cape Perpetua timed for the hour before high tide, as Thor's Well swallows the sea and waves thunder through Devil's Churn, then up to the Cape Perpetua Overlook. Dinner overlooking the ocean.

4 DAY 4 – NEWPORT & THE OREGON COAST AQUARIUM (B, L)

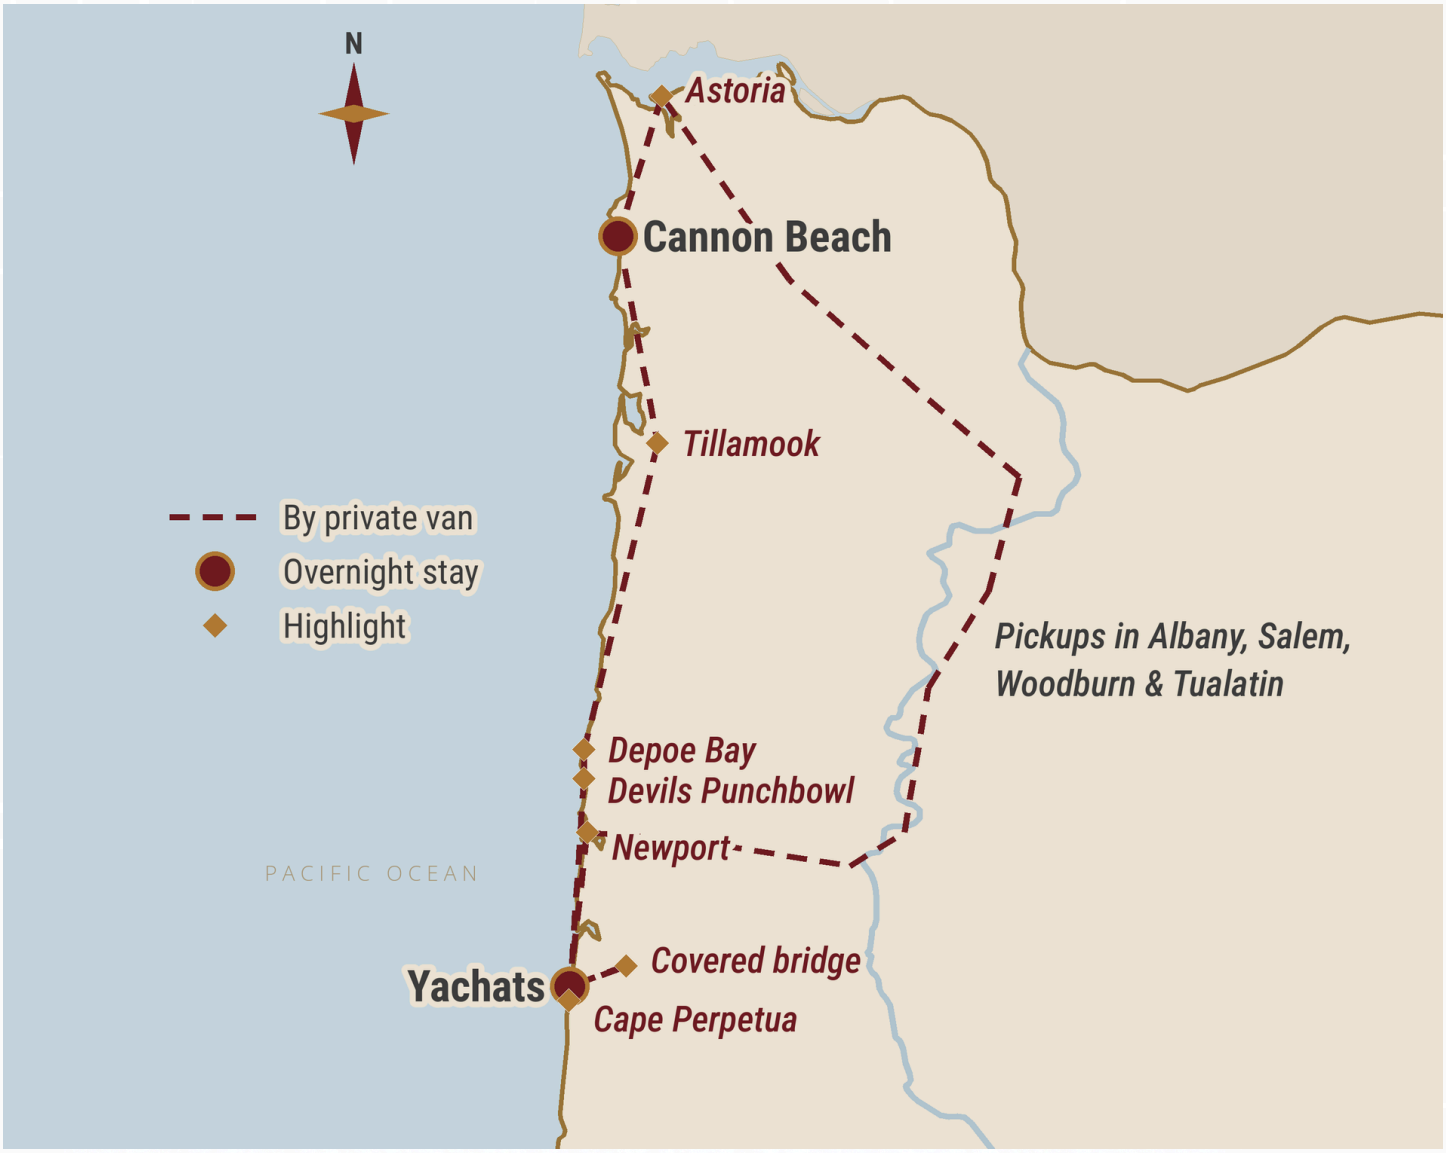

A morning at the Oregon Coast Aquarium among sharks, rays, sea otters and puffins, then a farewell lunch on Newport's working bayfront and a visit with the sea lions on the docks. Drop-offs in Albany, Salem, Woodburn, and Tualatin by late afternoon.

Pickups in Albany, Salem, Woodburn, and Tualatin, a private van with our Tour Director at the wheel, and three nights where every room faces the sea.
