Charter Guest Feedback

August 2024

Two week charter in the South of France & Italy

“We have spent onboard HBC our best holidays ever and she’s got the most brilliant, best crew we’ve ever met!”

The boat is in immaculate condition, we loved the smooth functioning of its’ multimedia, communications, and lighting systems, as well as her elegant design.

From the moment we embarked we could feel the perfectly synchronised and highly professional work of the crew led by Captain Bobby Groves. We have spent most of our days in the beach club which offers a perfect blend of comfort and adventure. It is the ideal spot to unwind and create lasting memories with your

loved ones. The First Officer Nick Ward was constantly overlooking the work of those crew members which were very energetic and involved in our intense water sports activities. Chief Stewardess Hannah ensured that every aspect of luxury lifestyle is perfectly managed. Anne Katrin has surprised us with her extensive knowledge of wines, and ultimate dining experience.

The overall experience was brilliant, and we consider coming back!

YOUR CAPTAIN

Bridge

HBC operates with a crew of 28, led by Captain Bobby Groves. The experienced team will elevate the charter experience to superlative standards.

CAPTAIN

BOBBY GROVES

Nationality	British
Languages	English, basic French

Bobby was born and raised in Bath, UK, subsequently moving to Oxford to study business and law. Bobby’s professional career began as operations director for a creative studio in London but, inspired by his grandfather and choosing to follow in his footsteps, Bobby decided to pursue a life at sea.

Bobby has now logged over 100,000 nautical miles and has captained vessels up to 92m in length. He has extensive experience on both private and charter yachts, accruing valuable knowledge and constantly striving to achieve the highest standards. Bobby is currently working towards his Marshall Islands

Unlimited License. When it comes to cruising destinations, Bobby recommends the Caribbean, and specifically Antigua, for its relaxed atmosphere and beautiful beaches. For old-world charm, he says Italy’s Amalfi coast is hard to beat, and if you’re keen to venture further afield then the Seychelles top his list.

Bobby thinks the HBC beach club is the yacht’s greatest feature - it resides beneath the aft swimming pool and is a spectacular spot to relax. The direct access to the water is ideal for those wanting to make use of the HBC toys, and he says the SeaBobs are great fun.
