CALVARY BUILDING PROJECTS

Expanded Nursery Area: Because of the increased numbers of little ones in our nursery recently, we will be combining our nursery with the adjoining classroom with a short partition wall to make more room.
Estimated cost: \$1500.

Expanded Youth Room: The Youth Room needs expansion, so we will be tearing down the south wall and expanding it into the "Cubbies Room." There will be a small office created on the SE corner.
Estimated cost: \$2000.

Creation of a Multi-Purpose Room: The wall between the Prayer Room & the extra office will be taken out to combine the rooms. Eventually a moveable wall will be installed to provide more flexibility. Estimated Cost: \$1000.
