

WHAT WE DO

Optimize

Helping camps stay connected, protected, and operational — even in remote and emergency situations.

Empower

Integrated connectivity, security, and emergency communications — built to work together in critical moments.

Keep Camps Connected — Even in Emergencies

High Availability Internet

Reliable connectivity designed for remote camp locations

Emergency Phones

Always-on communication when cellular networks fail

Tracking Devices

Real-time visibility for staff, vehicles, and critical assets

Internet Security

Protect camp networks and sensitive staff and camper data

Why camps choose this

DESIGNED FOR RELIABILITY WHEN TRADITIONAL CONNECTIVITY ISN'T ENOUGH

TRUSTED BY ORGANIZATIONS OPERATING IN REMOTE ENVIRONMENTS
