

MOUNTS & ACCESSORIES

OCTOBER 2025

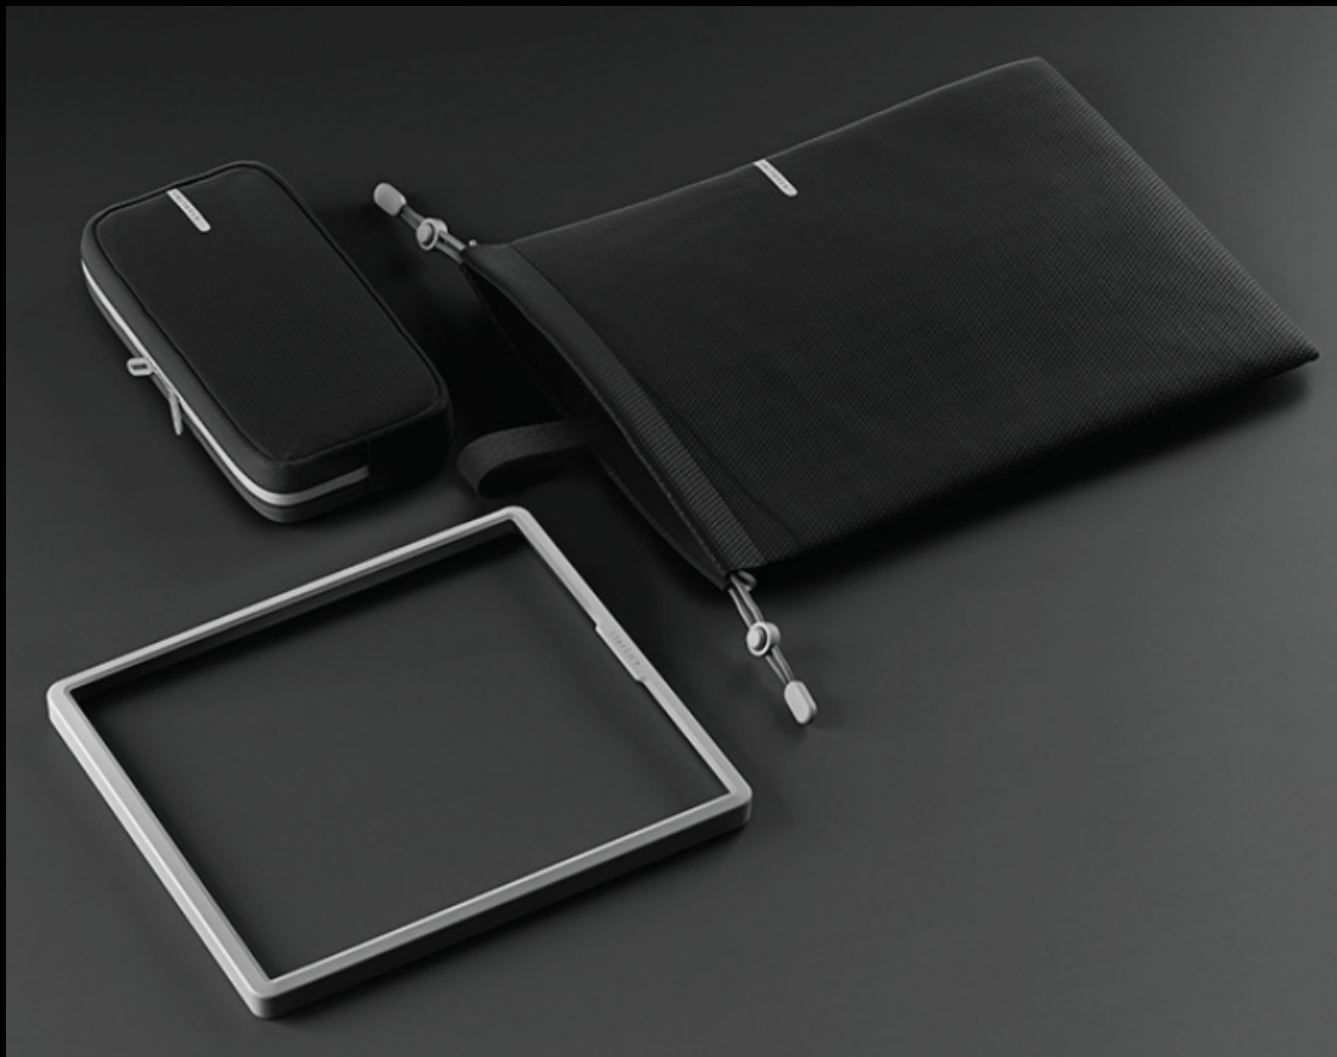

MINI

GEN 3 ROUTER

The Gen 3 Router gives you the best, top-of-the-line WiFi experience. With the latest WiFi 6 technology and three separate bands for data transmission, this router delivers exceptionally fast speeds and can handle many devices connected at the same time. This means you can stream, game, and browse without interruptions, throughout your home.

MINI TRAVEL KIT

The Mini Travel Kit is designed to protect your Starlink Mini when on-the-go. The Mini Travel Kit includes a custom-fitted Bumper Case providing drop protection for your Mini, a Sleeve that doubles as a carrying case and shields against dirt, scrapes and bumps, and an Accessory Pouch that fits all the components needed to power your Mini.

MINI CAR ADAPTER

The Starlink Mini Car Adapter is designed to power your Starlink Mini on-the-go via USB-C, replacing the Mini 15m Power Cable and Mini Power Supply from the Starlink Mini Kit. The Mini Car Adapter can be used with any standard automotive 12-24V auxiliary power outlet, commonly referred to as the car cigarette lighter.

Mini USB-C Cable 15 m (16.4 ft)

The Mini USB-C cable is designed to power your Starlink Mini on-the-go via USB-C, replacing the Mini 15m Power Cable from the Starlink Mini Kit. Requires a 100W (20V/5A) power source.

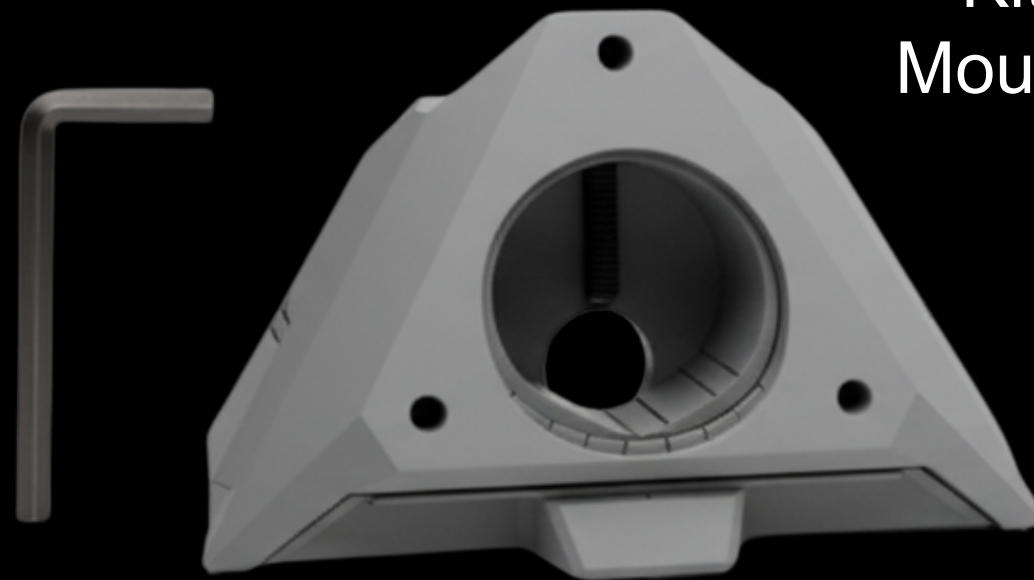

MINI STARLINK CABLE | 15 m (49.2 ft)

The 15 m (49.2 ft) Mini Starlink Ethernet Cable is designed to be used in the RJ45 connectors between the Starlink Mini and Starlink Gen 3 router or third party routers and devices to provide a waterproof seal and protect against water ingress.
