

Thank you

Grace family, you have responded in an incredible way!

Two weeks ago, I shared an urgent need and asked our church family to come together to help with necessary repairs to our facilities. You answered with generosity, enthusiasm, and a deep love for Grace.

As of September 30, more than \$91,000 has been given!

What a powerful reminder of what it means to be Together for Grace.

In 2 Corinthians 9:7, the apostle Paul reminds us, “Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.” We have seen that spirit throughout this campaign. Some gave the amount originally requested. Others gave what they could. **Every gift has mattered, and every gift has been part of this remarkable response.**

Because of your generosity, the repairs requiring our immediate attention are underway. But what you have accomplished together is about more than repairing buildings. You are helping care for the place where we worship, where children and students grow in faith, where people find fellowship and support, and where we welcome our community. You are helping Grace continue its mission of knowing Christ and making His love known.

Thank you for loving your church. Thank you for giving so generously and joyfully. Thank you for answering the call when Grace needed you.

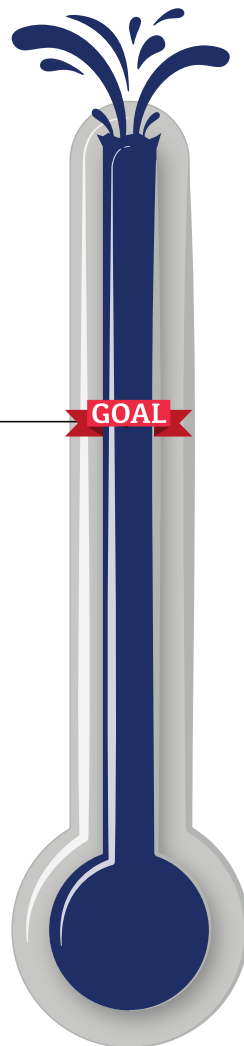

Most of all, thank you for showing what happens when we come together as the family of Grace.

With a grateful heart,

Pastor Terry

GOAL

Grace Renewed—

Rooted in Faith.

Renewed for What's Ahead.

This October, Grace UMC begins our **2026–27 Stewardship Campaign, Grace Renewed.**

Each year, our stewardship campaign is an opportunity to make our financial commitments for the coming year. But Grace Renewed invites us to think about stewardship as something more — to reflect on what has taken root here, what our shared commitment makes possible today, and what we hope to carry forward.

We are rooted in faith, shaped by generations who have worshiped, served, given, taught, and cared for this church and its ministry.

We are renewed in community and service, as we worship and learn together, nurture children and students, care for one another, and carry Christ's love beyond our walls.

And together, **we are renewed for what's ahead.**

Throughout October, we'll share more about the ministries our stewardship supports and invite every household to prayerfully consider renewing or making a financial commitment for 2027.

As we look ahead, we also have an opportunity to **finish 2026 strong**. Your continued generosity helps Grace meet today's commitments while building on the strong foundation of faithfulness that makes our ministry possible.

Our roots are strong.

Our ministry is active.

Together, we look ahead with hope.

Fall Greetings!

As the leaves and temperatures change and sway, so has our reality for Sunday mornings! Our Chancel Choir remains diligent in assisting our worship in the Welsey Center, and each of you continues to sing heartily and genuinely in our temporary environs.

A tremendous debt of gratitude is due to **Michael Keltz, Tyler McCabe, Thomas Wall, and Robert Meadors** for going above and beyond to facilitate our worship in the Wesley Center. Please let each of them know your gratitude and encourage them in the ways you are able.

In the words of the children's hymn, "The church is not a building, the church is not a steeple, the church is not a resting place, the church is a people."

LifeSong

Michael Keltz, Contemporary Worship Director
michael@gotgraceumc.org

Music has a special way of reaching our hearts and reminding us of God's presence. Sometimes a worship song meets us at exactly the right moment—with words that encourage us, challenge us, or simply remind us that we are not alone.

I'd love to hear from you!

What is your favorite contemporary worship song, and how has God used it to speak to your heart? Maybe it carried you through a difficult season, helped you draw closer to God, or simply became a song that reminds you of His love and faithfulness.

Send me an email and share your song and your story—michael@gotgraceumc.org. I can't wait to hear what songs have been meaningful to you!

Grace Represented at Lay Servant Training

Over the weekend of September 18–20, **Pastor Jessica** and **Heather Vaught** traveled to Main Street UMC in Greenwood for the Greenwood District Lay Servant Ministries Fall Training. As a member of the District Lay Servant Ministries Committee, Pastor Jessica served in two roles, helping support the event and teaching the Basic class. Heather completed the UMC Polity class, learning about the structure and organization of the United Methodist Church.

Heather also spoke during the closing ceremony, sharing why she wanted to become a lay servant and what that calling means to her and her church.

Thank you, Pastor Jessica and Heather, for representing Grace UMC and for your commitment to serving!

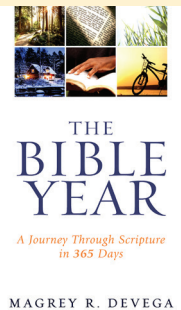

The Bible Year

During the month of October, we continue through the **Gospel of Luke** and move into the **Book of Acts**. These two books tell a connected story, beginning with the life and ministry of Jesus and continuing with the growth of the early church. In Luke, we follow Jesus toward Jerusalem, encountering his teachings, healings, and compassion before witnessing his death and resurrection.

In Acts, the story moves outward as the Holy Spirit empowers Jesus' followers to share the good news. The Gospel crosses boundaries of geography, culture, and tradition, welcoming new people into the community of faith. Together, Luke and Acts invite us to consider how we are called to share God's love and carry Christ's message into the world.

Make sure you get your October Bookmark or head to our Facebook group for a printable calendar. There are also a great deal of resources to be found at gotgraceumc.org/the-bible-year!

From Pastor Jessica

Rev. Jessica Kight, Associate Pastor of Nurture and Missions, jessica@gotgraceumc.org

I'm excited to share that I have been invited to take part in the UMC's Discipleship Ministries Preaching Innovation Cohort program! I will be one of thirty-six clergy nominated by leaders across nine annual conferences to study, explore, and reimagine preaching together.

Throughout the program, we will learn from scholars, coaches, and other pastors across the denomination who bring fresh perspectives to sharing God's Word. We will gather for two retreats and meet online monthly to learn from and support one another. This opportunity is generously funded by a grant from Lilly Endowment, Inc.

Preaching is a meaningful part of my ministry, and I'm grateful for this opportunity to grow and bring what I learn back to Grace UMC. I look forward to discovering new ways to share the Gospel and connect its message to our everyday lives.

Please keep me and my fellow clergy participants in your prayers as we travel October 19-21 to Chicago for our first retreat. Thank you all for your support and encouragement!

Happy Birthday, Henry!

October 3 is a BIG day! Henry will finally be old enough to take his Canine Good Citizen and therapy dog exams! We can't wait to share his love with others... and probably a little slobber, too.

Missions Update

The school year is well underway, and by now, many classrooms may be starting to run low on some of the supplies they use every day. As part of our commitment to being good neighbors to our local schools, Grace UMC is beginning a monthly school supply collection.

Each month, we'll focus on one specific item and collect donations to share with our partner schools in the community. Together, we can help teachers and students have the supplies they need throughout the school year. Donations can be dropped off in the Church Office.

Mission Spotlight

Operation Christmas

Operation Christmas Child is underway at Grace! Through this ministry of Samaritan's Purse, gift-filled shoe boxes are delivered to children in need around the world as a tangible expression of God's love and an opportunity to share the Good News of Jesus Christ.

Important Dates:

- **Sept. 20**—Operation Christmas Child kickoff
- **Nov. 12**—Completed shoeboxes due back to Grace
- **Nov. 15**—Blessing of the Boxes
- **Nov. 16**—Shoe boxes delivered

Packing a box is easy—and there are plenty of ways to make it special! Start with a “wow” item such as a doll, stuffed animal, soccer ball with a pump, large toy car or truck, or musical instrument. Then fill the remaining space with a variety of useful and fun items.

Need some shopping ideas?* Popular items include:

- Pencils, pens, crayons, markers, notebooks, and erasers
- Toothbrushes, washcloths, combs, brushes, and fun adhesive bandages
- Socks, T-shirts, flip-flops, hats, sunglasses, and hair accessories
- Jump ropes, yo-yos, small balls, toy cars, building blocks, and small figures
- Coloring books, puzzles, stickers, craft supplies, and picture books
- Flashlights, small backpacks, purses, watches, and jewelry

You can also make your box personal by including a note and photo. Samaritan's Purse says these personal touches are often among a child's favorite things to receive. Most importantly, pray for the child who will receive your gift.

Shoe boxes are available in the Church Office in the Asbury Building and in the Wesley Center. Choose a box, have some fun filling it, and return your completed shoe box to Grace by Nov. 12. We'll pray over the gifts during the Blessing of the Boxes on Nov. 15 before they are delivered to Samaritan's Purse on Nov. 16.

One shoe box may seem like a small gift, but for the child who receives it, it can be an unforgettable reminder that someone cares—and that God loves them.

**Please do not pack: soap, toothpaste, candy, gum or other food, liquids or lotions, medications or vitamins, used or damaged items, breakable items, aerosol cans, or war-related toys.*

Pantry needs change throughout the year, visit cmona.org for the latest information.

Every donation helps fill a shelf and helps care for a neighbor.

Church Council Update

Church Council met on September 15, with several important updates shared about the life and ministry of Grace.

Major repairs totaling approximately \$50,000 are now underway, with the initial funding coming from the church's Reserve Fund. To help replenish those funds, Pastor Terry asked Grace families to consider contributing \$1,000 toward the repair needs. Church Council unanimously approved the request. Every gift, regardless of amount, will help as we work together to care for our church facilities and strengthen Grace's financial position. Additional cost-saving measures are also being implemented as the church continues to address budget needs.

Steve Banks, the new United Methodist Men president, announced that the group will hold its first meeting of the year on September 22, including a meal. All men of Grace are invited to participate.

The Child Development Center is enjoying its renovated space, and things are going well. The Congregational Care Committee is updating the Homebound list to help ensure these members of our Grace family continue to receive the care and connection they need.

Looking Ahead

The Nominating Committee will soon begin its work to help form Grace's 2027 committees.

As Grace moves forward, Pastor Terry encouraged members and groups to remain positive and focused on our shared mission—To Know Christ and Make His Love Known.

Hear the Promise:

Grace UMC 2027 Lenten Devotional

We're starting to put together Grace's 2027 Lenten Devotional, and we'd love for you to join us!

Our theme this year is "**Hear the Promise.**" We want to reflect on the worship songs and hymns that have helped us notice God's promises in our lives.

Is there a hymn or worship song that has stuck with you over the years? Maybe its words helped you through a tough time, reminded you of God's faithfulness, brought you comfort, strengthened your faith, or helped you see Scripture differently. We'd love for you to share your story.

We're looking for Grace family members who are willing to write a short devotional about a favorite hymn or worship song. You don't need to be a writer, just share why this song is important to you, what promise of God you hear in it, and how it has shaped your faith.

Together, these reflections will become our **2027 Grace UMC Lenten Devotional**, giving us an opportunity to hear God's promises through the songs that have shaped our congregation's faith.

Interested in contributing? Contact Pam Rawlinson to choose a song and receive the writing guidelines at pam.rawlinson@yahoo.com.
