

Treelands Main Site & Atrium
Quality care for the elderly since 1992
statement of purpose

Welcome to Treelands.

Choosing a care home is an important and often emotional decision. At Treelands, we understand how much trust that choice involves, and we take that responsibility seriously.

Treelands is a family-run care home that has been supporting older people for many years. Our focus has always been simple: to provide a safe, comfortable and caring place where residents feel respected, valued and truly at home.

We take the time to get to know each resident as an individual. By understanding their routines, preferences and life experiences, we are able to offer care that feels personal, reassuring and consistent, for both residents and their families.

Life at Treelands

Life at Treelands is shaped around the people who live here. We believe that every resident should feel comfortable, respected and free to enjoy each day in their own way.

Some residents enjoy taking part in social activities and spending time with others, while others prefer quieter routines, familiar comforts and time to themselves. We support both, offering gentle structure alongside flexibility and choice.

Our Care & Support

Treelands provides residential care for older adults who need daily support in a safe and comfortable environment. Our experienced care team is available 24 hours a day, offering reassurance, assistance and companionship whenever it is needed.

Each resident has a personalised care plan, developed together with them and their family. These plans are reviewed regularly to ensure care continues to reflect individual needs, routines and preferences.

Rooms, Spaces & Gardens

Treelands is designed to feel welcoming, comfortable and familiar. Residents enjoy private bedrooms, many with peaceful views, and are encouraged to bring personal belongings to make their space their own. The home also offers a range of shared spaces, including comfortable lounges and quiet seating areas, giving residents the freedom to socialise or enjoy time alone.

Food, Well-being & Daily Comfort

Mealtimes at Treelands are relaxed and unhurried, giving residents time to enjoy good food and friendly conversation. Our kitchen team prepares freshly cooked meals using quality ingredients, with menus shaped around residents' preferences.

Special dietary needs are always catered for, and residents can choose where they feel most comfortable eating, whether in the dining areas or in the privacy of their own room. Snacks and refreshments are available throughout the day.

Families, Visitors & Peace of Mind

We understand how important it is for families to remain closely involved in the lives of their loved ones. At Treelands, visitors are warmly welcomed, and we encourage regular contact and open communication with our team. Residents are treated with dignity, kindness and respect at all times. Privacy, personal choices and individual beliefs are always honoured, and care is delivered in a way that feels discreet and supportive.

Treelands Care Home is fully regulated and inspected by the Care Quality Commission (CQC), providing reassurance that care is delivered safely and to a high standard.

Visit Treelands

The best way to understand life at Treelands is to visit us in person. We would be very happy to show you around the home, answer any questions and talk through how we can support you or your loved one. If you would like to arrange a visit or speak to a member of our team, please contact us using the details on the back of the brochure.

Our Team

Our care team is made up of experienced, dedicated professionals who are passionate about supporting older people with kindness and respect. Staff receive regular training to ensure care is delivered safely and to a high standard. Just as importantly, our team members are chosen for their patience, understanding and commitment to providing compassionate care. Many members of our team have worked at Trelands for a number of years, offering continuity, familiarity and reassurance to residents and their families.

Health & Safety

The safety and well-being of our residents is always our highest priority. Treelands provides a secure, well-managed environment where residents feel supported and cared for at all times.

Care plans are regularly reviewed, medication is carefully managed, and staff are available 24 hours a day to provide assistance and reassurance. Treelands Care Home is fully regulated and inspected by the Care Quality Commission (CQC), giving families confidence that care is delivered safely and to a high standard.
