March 25, 2026

Greetings NPC Family,

It is with gratitude, enthusiasm, and faithful anticipation that I write to you. This Sunday, March 29, during morning worship, we will join together to offer our pledges for the NPC Two Centuries Strong Capital Campaign.

Your pledges can be paid upfront or over the next three years, whichever works best for you. Your pledges will help guide decisions related to project scope, financing, and timing. This campaign will fund tornado repairs and the preservation and enhancement of our worship space.

With insurance proceeds, generous seed gifts, and support from the Hubbard and Coggin Endowments, we currently have approximately \$800,000 toward our \$1.9 million project and are aiming to raise \$1.1 million. We will also seek historic preservation grants, though funding is not guaranteed.

This is an opportunity to create a warm and inviting space for worship and life's meaningful moments, and to leave a legacy for generations to come—just as those before us have faithfully done.

Please consider how you can participate in the Two Centuries Strong Campaign as we celebrate our bicentennial and honor the example of our forbearers.

You are invited to Sunday's dedication service. If you cannot attend, you may submit your pledge through the REALM app, our website, by contacting Kim Duncan, or by mailing it to the church.

Thank you for your consideration and for all the ways you make a difference at NPC.

With much gratitude,
Jon Moss
