

Dear Natalie,

We hope you were able to step into April with enthusiasm as this year we started it off with a joyous holiday weekend! Happy Easter and Chag Pesach Sameach!

Speaking of joy, I am pleased to share with you that after a year of working with the city, planning, and vetting vendors, we are to install a generator just in time for hurricane season! It is important to us that you have a functional roof over your head for your service groups, no matter the circumstance. Additional good news includes pulling improved wi-fi prep to the finish line, as well as a lobby digital display that all of our tenants will have access to promote meetings and events on. There's more to come, but know that much is happening in the background.

We're here for you, now and always.

Sincerely,

A handwritten signature in black ink that reads 'Jorge Quiñones'.

Jorge Quiñones

Executive Director

March Highlights

A group of us, plus Beth Eversole, the Executive Director at [PDAP](#), attended the Rice University Susanne M. Glasscock School of Continuing Studies Center for Philanthropy & Nonprofit Leadership Best Boards conference. Dr. Ruth Simmons gave an electric keynote speech and the sessions were inspiring and educational. We look forward to putting what we learned into practice to better serve our community!

FamilyPoint Resources is honored to partner with the Outreach Center of West Houston to award the **Rick Tucker Community Excellence Scholarship** to Dante Burleigh in the amount of \$1,000. He will be studying Geology / Environmental Science at Texas State University this fall.

Dante Burleigh grew up in our community, attending Nottingham Elementary, Spring Forest Middle School, and Stratford High School. At FPR, he attended after school programs, summer camps, and volunteered 75 hours before being hired as an Intern his Senior year. He carries himself with a quiet confidence and a genuine warmth that draws people in. His interest in a future in education teaching the next generation how to take care of our environment is no surprise—he already embodies the qualities of a great teacher: he listens, he encourages, and he meets people where they are, always ready to lend his time and support.

His journey has not been without challenges, but he approaches each one with resilience and determination. Rather than being discouraged, he uses those experiences to grow stronger and more focused on his goals. He understands the power of education to change lives because he has lived that truth himself—and he is driven to create that same impact for others. This scholarship affirms what we have always known about Dante: he is capable, he is ready, and he deserves every opportunity to thrive.

***CONGRATS TO DANTE AND ALL OF THIS YEAR'S SCHOLARSHIP RECIPIENTS!

Upcoming Events

This April 10th we celebrate 23 years of poker tournaments and casino games all in the name of a good ol' FUNdraiser! Proceeds go back to Outreach Center of West Houston, allowing us to offset the costs of running a building that houses 12 nonprofit service organizations. Hope and healing persist when you attend or sponsor Casino Night. There's a seat waiting for you with your name on it!
