Playing for a Purpose: Outreach Center of West Houston Hosts 24th Annual Casino Night April 9

HOUSTON – The [Outreach Center of West Houston](http://www.oc-wh.org) will host its 24th Annual Casino Night, complete with a Texas Hold 'Em Poker Tournament and silent auction on April 9, 2027, at the Houston Racquet Club, 10709 Memorial Dr, Houston, TX 77024. All proceeds go to the mission of the Outreach Center of West Houston to connect people to the resources they need to improve their lives, create stronger communities, and build better futures.

Casino Night helps raise the necessary funds to help keep the center's doors open and rent rates far below market value for 12 on-site nonprofit partner service organizations. By alleviating the stress of exorbitant rental rates, these organizations can better focus on their missions, while taking a synergistic and holistic approach to serving others.

"Coming to Outreach Center of West Houston has helped me through some of my hardest times," shared an anonymous Palmer Drug Abuse Program attendee. Meanwhile, Lex, a FamilyPoint Resources attendee shared, "I like to come to the Outreach Center because I love how everybody is so nice and welcoming. It really feels like a family."

20+ years of West Houston impact like this is made possible because of the generosity of the West Houston community. To be a part of such impact, all are invited to attend, volunteer, sponsor, or donate. Learn more at www.oc-wh.org/casino-night.

About Outreach Center of West Houston:

The Outreach Center of West Houston was incorporated in 1996 as a 501(c)(3) charitable organization with the goal of providing the community with a dynamic facility offering an array of programs and services through which individuals and families can restore purpose and productivity to their lives, learn new skills, develop healthy relationships and experience positive mental, physical, spiritual and emotional growth.

Now, The Outreach Center of West Houston houses 12 nonprofits/service organizations and remains committed to connecting people with the resources they need to improve their lives, create stronger communities, and build better futures. The center is a point of connection for many to discover hope, healing, and answers to basic needs.
