

BIG, Beautiful News...

Natalie,

A picture is worth a thousand words, wouldn't you agree? The picture above says it all, but our BIG, beautiful news is that we have completed a waterproofing envelope to the building, which includes elastomeric, waterproof paint, and the resealing of the roof and windows. The fruit of this labor is stunning!

The project was enabled through the generous supporters and donors of phase one of our **Building for the Future** capital campaign. It is an honor to report that we are 85% of the way to our goal of \$500,000 raised for the improvement and enhancement of our facility through this campaign. Together, we are presenting a community hub that is safe, welcoming, inviting, and feels like home so that hope, healing, recovery, and more can take place. Thank you to all our champions who have helped paved the way. (To learn more about our progress, [click here.](#))

On the note of honoring our champions, thank you to **Memorial Drive Presbyterian Church** for the generous grant towards operating expenses that we received this month. Keeping the organization functional while we also fundraise for improvements is something we cannot lose sight of. Your gift is such a blessing.

For all other great highlights from July, a handful of events coming up, and a report on how awesome our tenant partners are, please read on friends!

July Highlights

Thank you to Councilwoman Mary Nan Huffman's office, AT&T, and Compudopt that gifted 50 computers through our on-site partner FamilyPoint Resources. These computers will open doors to opportunity for personal and professional growth, at levels you can't imagine. We could not have been more honored to play a role in helping to make it happen!

OCWH welcomes Iglesia Misionera Torre Fuerte to the building as our newest on-site tenant partners! Visitors will get a service completely in Spanish every Sunday at 3:00 p.m.
