

Natalie,

November was a joy! The month kicked off with FIND Men's Group's Annual Day of Service, but this year even more groups were on site! Fluor Corporation and Trees for Houston planted 27 trees, and GHORBA (Greater Houston Off-road Bike Association) held a bike repair day. The community synergy was a site to behold, and days later Fluor was back to spread cheer for World Kindness Day! From tenant partner Friendsgiving events to volunteers feeding others for Thanksgiving, the love around here just keeps on overflowing! Major shout out to St. Thomas Presbyterian Church for allowing me to speak to the congregation, BE-CI for decorating the building for the December holidays, and to Chapelwood United Methodist Church for awarding us with a grant!

Thank you all for making our community here such a special one! Happiest of holidays!

Executive Director

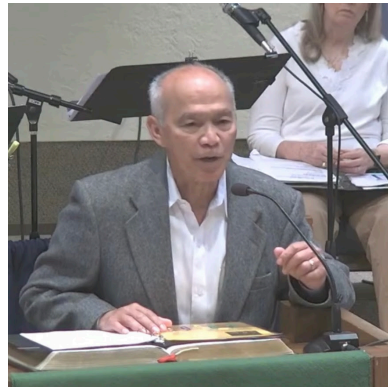

November Highlights

We won 1st Place as Best Nonprofit in the 2025 Best of West Houston competition thanks to your votes! Thank you; we are honored!

The organization 40+ Kids came to us through happenstance. Their generosity ended up blessing the families attending the FPR Friendsgiving event!

St. Thomas Presbyterian Church invited Jorge out to share all of the good news happening at the center! It was a special day for church members to reflect on what was once just an idea. 20+ years later, OCWH stands as a community junction of hope and healing!

Welcome to our newest on-site tenant partner: God's Harvest Church! You can join them Saturday mornings, starting next week.

A lot of volunteers helped to bless 136 people with groceries and meals. Special thanks to Memorial-Spring Branch Rotary, FIND Men's Group, Operation Turkey, Mosaic Village Church, and Irma Moreno!

Natalie had a blast representing the center at the United Way Power Tools for Nonprofits Conference. From lessons on spreading good news through press, to storytelling on a tax form, the time was well spent.

Have you noticed any holiday cheer in the hallways? Perhaps outside? Our friends at BE-CI are responsible for all of the wonderful decor this season!

FIND Men's Group, Fluor Corporation, Trees for Houston, and the Greater Houston Off-road Bike Association made the Annual Day of Service the biggest one yet!

Fluor Corporation graced the center twice this last month by coming to fill the building with kindness for World Kindness Day the second time around!
