From the get-go, Kieren has been a very supportive mortgage adviser. He has always found the time to speak with both my husband and I (not an easy task) and his explanations are clear and in layman's terms. He continued to find the best mortgage for us until the last minute. In addition, we felt very confident to ask him advise regarding other home buying products. Kieren has been and continued to be essential in our admin navigating. A big heartfelt thank you to him!

Highly recommend Kieren and KG Mortgages. He returned my initial call within 15 minutes and was able to quickly accommodate my needs. He made it really simple to understand the different products and offered plenty of options, and was happy to talk through the pros/cons of each one.

I certainly felt like I had the final choice, which is not always the case with these things.

Once again extremely helpful, and presented various options that may suit our needs, allowing us time to think over the options and decide. Even then between the time we decided on the deal to when the mortgage starts, if a better deal had come along it would have been offered to us. Will use again in the future for our next deal.

Kieren has been great to work with, very professional and responsive. We were recommended to contact KG Mortgages by a family member. He expertly guided us through the process at every stage and listened to our concerns and made sure we understood everything that needed to be done from our end. With all that has happened during this past year with Covid, he has done an exceptional job. Will look forward to working with him again in the future. Thank you!

Kieren has been fantastic throughout the whole process from start to finish. Making everything clear and easy to understand whenever we had meetings or emails, and he was also very quick and efficient whenever things needed to be done.

Kieren was excellent; this is the second mortgage he has helped us get sorted and both times he was brilliant.

He keeps in contact all the time, every step of the way which is something most companies fail to do.

He helps you get the information needed for the lenders and finds the perfect product for you.

He goes above and beyond whenever possible and is a total gent about it.

We will definitely be coming back again to remortgage in 5 years!

Thank you Kieren!

What were the circumstances that caused you to initially look for a financial adviser?

I have used Kieren's services twice in the last year, 1. To move a mortgage to another property when I moved house and 2. to re mortgage when my fixed term ended recently.

How has Kieren helped you?

Kieren helped me to navigate current mortgage offers in what is a difficult marketplace at the moment. I knew my monthly mortgage payments were going to increase as mortgage rates are more expensive than they were two years ago so he looked for the best deals available on the market place that best suited my circumstances and gave me good advice about some savings I had that I wasn't sure whether to put into repaying a bit of my mortgage off. Kieren also did all of the 'leg work' asking questions and arranging the paperwork with the mortgage lender so I didn't have to which was a real help.

Have you seen the outcome you were hoping for?

Yes, I am happy with the outcome I have received.

How has Kieren helped you?

How has Kieren helped you?

Kieren was so helpful and approachable from the first time we enquired. No question is a silly question and he does his best to answer and explain everything as simply as possible. He always kept us informed with how our application was progressing, and is happy to use phone calls/emails for whatever's most convenient. I was recommended Kieren by two separate friends, and I would definitely recommend him to anyone needing mortgages etc in the future.

Yes, Kieren has successfully found us a mortgage and has helped and advised us in regards to insurance.
