## **How does the Kroger Community Card work?**

### **Create a digital account.**

A digital account is needed to participate in Kroger Community Rewards. If you already have a digital account, simply link your Shopper's Card to your account so that all transactions apply toward the organization you choose.

### **Link your Card to an organization.**

Selecting the organization that you wish to support is as simple as updating the Kroger Community Rewards selection on your digital account.

1. Sign in to your digital account.
2. Search for your organization here.
3. Enter the name or NPO number of the organization you wish to support.
4. Select the appropriate organization from the list and click "Save".

Your selected organization will also display in the Kroger Community Rewards section of your account. If you need to review or revisit your organization, you can always do so under your Account details.

### **AHFC earns.**

Any transactions moving forward using the Shopper's Card number associated with your digital account will be applied to the program, at no added cost to you. Kroger donates annually to participating organizations based on your percentage of spending as it relates to the total spending associated with all participating Kroger Community Rewards organizations.
