

English

Fiction We will begin the half-term by using the classic picture book 'The Gruffalo' to retell and write stories in the present tense. We will then use the text 'Hansel and Gretel' by Anthony Browne to write detailed setting descriptions.

SPAG During these lessons we will be ensuring that capital letters are being used consistently and correctly. We will also learn how to punctuate sentences correctly with finger spaces and full stops. We will know that a sentence is a complete idea.

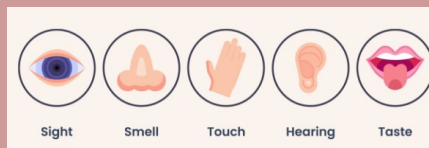

Whole-Class Reading This half-term we will be developing our reading skills whilst reading 'Hansel and Gretel' by Anthony Browne.

Science

This half-term we will be learning about **The Human Body**.

Children will name and identify parts of the human body. They will explore the five senses and learn how these support our awareness of the world around us.

Jupiter Autumn 1 Value: Friendship

Maths

Place Value:

- * Sort, count and represent objects and number.
- * Count, read and write numbers forwards and backwards.
- * Count one more and one less.
- * Represent numbers as tens and ones.
- * Compare groups and numbers.
- * Order numbers.

Addition and Subtraction:

- * Numbers within 20 including money.
- * Numbers within 100 including money.

Times Tables

Year 1 and Year 2 counting in 2's, 5's and 10's.

PHSE- Health and well-being

This term children will learn what being healthy means and who helps them to stay healthy (e.g. parent, dentist, doctor). They will discuss how medicines and vaccinations can help us to stay healthy. They will explore why hygiene is important and how simple hygiene routines can stop germs from being passed on. Children will explain what they can do to take care of themselves on a daily basis, e.g. brushing teeth, hair, and hand washing.

Physical Education

Multi-skills - Ball-skills

We will participate in team games, pass and receive a ball, develop a range of skills

Religious Education

Who is God to Christians?

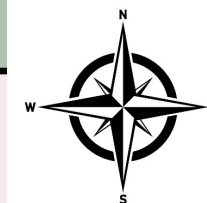

Pupils will know that:

- Christians believe in one God who created the world.
- The Bible is a key source of authority for Christians.
- The Bible is a collection of books written at different times.
- Different Christians live out their beliefs differently.

Geography

Spatial Sense

Children will look at how cartographers (mapmakers) represent physical (natural) and human (made by people) features of an area on a drawn map. They will find out how symbols are used on maps and how a key can tell us what the symbols mean. Children will be introduced to the four-point compass and will use some positional language to describe locations.

Music

Marching Music

This term, children will focus on finding the pulse and beat of a piece of music. Children will listen and respond to different kinds of music to explore how pieces of music are put together. Children will understand the difference between a beat, pulse and rhythm.

Computing

Technology in our lives

Children will recognise uses of technology in their homes and in their community and understand that there are online tools that can help them create and communicate.

Digital Citizenship

Children will learn how to use the internet safely and the rules we must follow when using the internet.

Year group differentiation

This topic map has been designed around the learning objectives for both year 1 and 2. Our learning in class will be differentiated based on year group and ability to ensure progress for all pupils.

Year 1 objectives

Year 2 objectives

Visit or visitor

This will happen during the next half term.

Art

Colour

Children will explore the works of Mondrian, Bruegel the Elder, Van Gogh, Vermeer and Monet to explore primary and secondary colours, warm and cool colours, shades and tints. They will practise colour mixing and brush control.
