

## English and Whole-class reading

This half-term we will be exploring the text 'The Emperor's New Clothes' by Hans Christian Andersen.

Children will:

- Identify co-ordinating conjunctions – and, but, so.
- Identify and write compound sentences.
- Use adjectives.
- Identify and write lists of two adjectives.
- Use commas to break up lists.
- Identify and write questions.
- Identify and write commands.
- Use an apostrophe for contractions.
- Use an apostrophe for possession.

## Science

### Taking Care of the Earth

Children will learn about the Earth's natural resources and how people harvest and use them. They will be introduced to the concept of renewable and non-renewable resources. Children will also think about ways in which we can reduce our impact on the environment, from planting trees to recycling paper.

# Jupiter Spring 2 Value: Compassion

## Maths

Multiplication and division:

- Year 1 will learn to double and half numbers.
- Year 2 will learn how to divide by 2, 5 and 10.
- Recognise odd and even numbers.

Length and height:

- Measure in cm's and m's.
- Compare and order lengths.

Mass, capacity and temperature: Recognise different units of measure.

## Times Tables

Year 1 counting in 5's.

Year 2: 5x.

## Visit or visitor

Visit at a local farm- TBC.

## Kings, Queens and Leaders

## RSE

### Relationships

Children will learn how communicate their feelings. Children will correctly name the main parts of the body, using scientific vocabulary.

## Physical Education

### Multi-Skills – sending and receiving

Children will learn how to participate in team games, pass and receive the ball, develop a range of skills with a ball and develop agility, balance and co-ordination.

## Music- Ostinato

The children will learn to compose/perform a piece about space, structured around a rhythmic ostinato and using the voice and untuned percussion instruments to create rhythms based on word patterns. The children will learn a song with an accompaniment which uses a rhythmic ostinato.

## Computing

### Data Handling

This term children will explore how data is represented digitally. Children will also create a pictogram and use questions to interpret the data represented.

### Digital Citizenship – digital footprint and identity

Children will understand that anything we say or do online leaves a digital footprint. Children will learn that it is important to not share any personal details online.

## Religious Education

### Is it possible to speak to God?

- The children will learn that communication is the act of giving, sharing or receiving knowledge.
- Some religious people talk about prayer as a way of communicating with God.
- Muslims pray at the mosque, at home and in other places. The Muslim experience of praying is affected by context (e.g. age or place).

## History

Children will learn:

- England has been ruled by Kings and Queens for a long time.
- His Royal Highness King Charles III is our current king.
- King John was forced to sign the Magna Carta by the Barons.
- Parliament was set up to make decisions for the country.
- There was a time when there was no King of England.
- Oliver Cromwell was called upon to rule the country and become the 'Lord Protector'.

## Art

### Style in Art/Narrative in Art

Style in art – Children will explore painting techniques: pointillism used by Seurat and short brushstrokes used by Van Gogh.

Narrative in art – Children will look at paintings representing the story of St George and the Dragon and explore that artists can show different characteristics and personalities by the way they draw and paint.
