

Jupiter Homework Grid Summer Term 1 2026 Due date: 01.06.26

Be a regular reader!

Read daily with either your individual reading book or one from home. Make sure you have your reading record book signed whenever you read so we can see all the super reading you are doing at home. Remember to also read your phonics book when it is sent home ready for the next week. Reading books will be changed once they have been read 3 times to help improve reading fluency.

KS1 reading expectation:
read at least 10 minutes
daily.

Be a word wizz!

Consolidate and practise the spellings we have been learning throughout the year. These are on the [attached PDF document](#). Our aim is to spell all of these words correctly and consistently by the end of KS1.

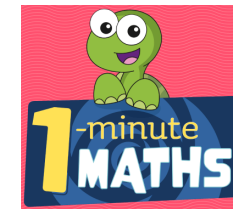

Spelling programme group: Please continue to complete your weekly spelling homework that Mrs Saunders sends home. Please return this to Mrs Saunders.

Please also continue to practice Year 1 / 2 Common Exception words. A copy of these are attached to this homework grid.

Be a mathematician!

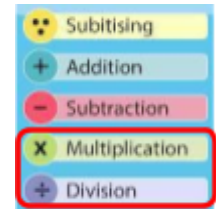

Continue to practise your multiplication and division facts using the [White Rose](#)

[Maths](#)

free app.
You
could
even

challenge members of your family and keep track of your weekly scores using the free [wall chart](#).

Year 1's practice counting in 10's.

Year 2's learn your ten times table.

Useful resources for times tables

[Times Tables Rock stars](#)

[Hit the Button](#)

Be a gardener!

Why not grow your own plant? Create a plant diary to show how you look after it. You could take pictures to show how it changes each week.

Be a persuasive speaker!

Where do you most want to visit?
Write a letter to a parent or carer trying to persuade them to take you there on holiday? Why should they take you? Why do you want to visit so much? What will you see?

Be a food miles detective!

Go on a label hunt around a super market.

What countries can you find that different food has come from?
How far have they travelled?

Record your results on a table. What foods have come the furthest and the least distance?

Be a model maker!

Make a model of a well-known landmark or monument from a continent of your choice. This could be using any materials you want such as Lego or playdough etc.

Be an airline owner!

Imagine you are the owner of a brand new airline company that takes people around the world. Can you create an advert for your company? What is the company called? What is special about your planes and the flight? Where will you take people?

Spirituality

Can you draw a picture or write a few sentences about how you feel when you do something you enjoy?

For example you might draw a picture playing football or making a piece of artwork.

KEY
VOCABULARY

Earth

the **planet** we live on

continent

one of the world's seven **areas of land**

ocean

a very large **area of water**

globe

a model of **our earth** showing the continents and oceans

North Pole

a very cold place at the '**top**' of the Earth

South Pole

a very cold place at the '**bottom**' of the Earth

equator

an **imaginary line around the middle** of the Earth

This homework grid gives a range of tasks that you can do with your child this half term.

Please prioritise the top three boxes that are marked with a star. These are the areas that can have a significant impact across all their learning.

Where possible, homework tasks can be completed in homework books. It would be wonderful to see some photos/videos on Dojo too.

Please return your homework by Monday 1st June 2026.
