

Be a Regular Reader!

Please read every day. Read a range of books. Make sure that you read aloud too as this is a different skill. You will need to make a note of what you have read under each day in your diaries. Remember when you have finished a book, write a review or tell us about it.

Be a Word Whizz!

Practise the spellings we send home as often as you can so you are ready for our weekly quiz which takes place on a Friday.

Be a Mathematician!

Practice your times tables every day at home. This can be by using Times Table Rock Stars or by using one of the games/techniques I have uploaded to Dojo. If you are unable to access these at home, please ask for help and support. We will monitor your progress by completing times table quizzes at least once a week in class.

In line with our multiplication bonds policy, our focus this term will be the 7x, 11x table. Children in will complete weekly Soundcheck assessments in preparation for the government MTC, which is an important statutory assessment. Daily times table practice will help ensure their success with this assessment and is therefore vital.

Vocabulary quizzes

Seekers will be having regular quizzes throughout the term to see if they have retained what they have been taught. Please revise the vocabulary on the back of this sheet and their definitions regularly ready for the quizzes!

History – Julius Caesar

Write a biography about Julius Caesar. Consider: Why was he such an influential figure in history? Do you think living under his rule was a good thing?

Science – Sound

Create a musical instrument that can change pitch. Consider how the instrument is making the higher, lower, louder or quieter noises. What does this do to the sound waves that travel to your ears? Can you explain how humans hear?

Latin – prepositions

Use the Latin prepositions listed below and write down words we use today that include these. Use the words you have identified to help find the meaning of the preposition.

- Trans
- Re
- Pro
- Super

Math – Fractions

Where can you find fractions in the real world? Can you find a quarter on the clock? Can you find one tenth of an amount on a flower? Take photos, or draw pictures and show them in your homework book!

Art – Monuments in Ancient Rome

Choose an Ancient Roman monument. What facts can you find out about it? Design, draw and create your Ancient monument. I would encourage these monuments to be made out of recyclable materials. Take a picture of your monument and it will displayed on our working wall.

Northern Ireland – Human and physical geography

Create a fact file about Northern Ireland and highlight the physical and human features it has.

Physical features: Seas, mountains and rivers that are natural.
Human features: Houses, roads and bridges which have been built by people.

RE - Good Friday

In your own words, explain what Good Friday is and the importance of it in the Christian calendar.

Geography - Northern Ireland

Research Northern Ireland, and find as much interesting information as you can. Use this information, to create a colourful and creative leaflet convincing tourists to visit Northern Ireland.
Are there any famous landmarks? Where is the local history?

English - Iliad and the Odyssey

Write a report as an eye witness to the attack on Troy by the Greek soldiers who hid in a giant horse.
Use first person, expanded noun phrases, prepositions, paragraphs and present tense.

Seekers Spring 2 Homework Grid

Ancient Rome and Northern Ireland.

The homework grid should be completed within the half term. The compulsory  tasks () must be completed each week. You then need to complete **at least** one additional task from each coloured column by the end of the half term.

- All work needs to be completed in your homework books, photos should be taken and stuck in or drawings and explanations written of models etc.
- Work can be handed in for marking each Friday. All homework are to be returned into school on **Tuesday 14th April 2026**
