Newsletter 357, 27th February 2026

Dear Parents and Friends,

I hope you all had a lovely break last week. It's good to be back at school and seeing the children working and playing together as we move through Lent towards Easter. It's a short half term and lots to fit in. Please keep an eye on the calendar below each week and any messages coming from your child's class or the office. We try to inform you of things in plenty of time, and we'd really appreciate it if you respond (when needed) in time. Thank you for helping us to keep things running smoothly.

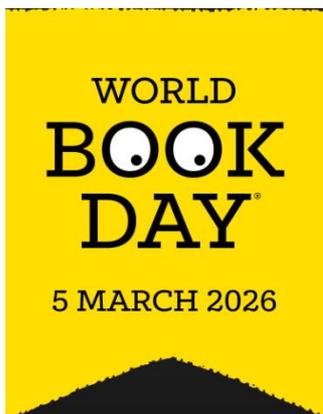

Partnership News

Weekly Worship Focus

Our worship this week has focussed on launching the Bishop's Lent Challenge. This year the focus is on the Thessalonians scripture 'Therefore, encourage one another, build each other up, just as you are doing' (5:11). This challenge will help pupils to learn about the spread of Christianity in the early days of Christ's Way and who Paul the apostle was. The focus of this challenge is to

- Explore ways to encourage and build each other
- Flourish in our ability to see one another – inside and outside
- Notice our God-given gifts and talents
- Develop our spiritual side to thrive in God's world.

We invite parents of children who receive certificates to join us for worship on a Friday in school. However, you can still join us virtually if it is easier for you. Monday – Thursday we have whole school worship at 2.45pm. On a Friday it is 1.05pm at All Saints and 2.30pm at St Martin. You are welcome to join us at any of these sessions.

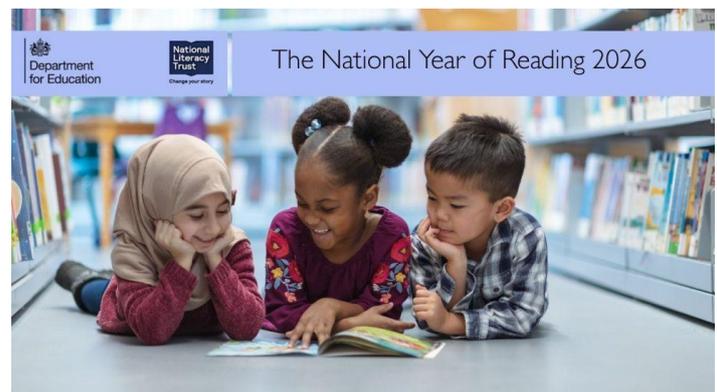

World Book Day

This year World Book Day will be celebrated next Thursday (5th March). An extra special day in this year of reading.

You are invited to come into school from 8.30am to read with your child on Thursday.

We are planning a lot of lovely events to make the day special including reading with your child at (an earlier) drop-off, inviting children to bring their favourite book to school that day and having a second hand book sale,

amongst other surprises we have planned for the children on the day.

Vocational Afternoons

Science week will be w/c 9.3.26. We will be holding our vocational afternoons on Wednesday 11th March at All Saints, and Thursday 12th March at St Martin's.

Whatever your job is we'd really appreciate you sharing it with the children. Our aim is to demonstrate that there are lots of careers that can be aspired to and it's worth doing your best now so that the choice is as wide as possible when they are older.

It's a totally non-threatening situation that staff and pupils have always enjoyed. Please let your child's teacher or our office co-ordinator know if you can help. Thank you!

@StMartins_Sch

It's easy to think of a lunchbox as just fuel for the physical body, but for a child in a classroom, it's actually brain fuel. What they eat at lunchtime dictates exactly how much they'll get out of their afternoon lessons. A good balanced lunchbox will help with their energy, concentration and mood both at school and for the whole afternoon. We know it can be hard sometimes...we are here to help.

Finding fresh lunchbox ideas every day can be tough, especially on busy mornings.

Veg Power's Love Your Lunchbox resources are here to make things easier with simple, affordable inspiration that help your children to enjoy a wider variety of foods complete with a Shaun the Sheep Lunch Box planner for you to download and use too.

Everyone at Veg Power are parents and we all know the lunch box battle so, on our website, you'll find practical and helpful ideas including:

-  Quick tips
-  Easy fruit and veg-boosting ideas
-  Short videos from registered nutritionist **Catherine Lippe R.Nutr.** on what makes for a great lunchbox, and covering the all-important question of "How do you get kids to eat what you pack?"
-  Ways to get your children involved in choosing and preparing their lunch

As it says on the website, aim for balance and not perfection - you don't have to do it all at once as small changes can make big differences.

Scan the QR code or follow the link to the website to explore new ideas and help to make packing those lunch boxes every morning a little bit easier and fun for you and your child.
