Newsletter 359, 13th March 2026

Dear Parents and Friends,

This week has been science week. The theme this year is "Curiosity...what's your question?", focusing on sparking inquisitive thinking in STEM, encouraging people to ask questions, and celebrating scientists who followed their curiosity to make world-changing discoveries. It's a nationwide event with activities for all ages, promoting hands-on exploration and addressing big STEM topics. A special thank you to Mrs Harding for leading our learning during this exciting week.

Partnership News

Weekly Worship Focus

Worship this week has included the children (Adventurers and Neptune) leading us with thoughts about our current focus value: compassion, teachers leading worship through song and a focus on the Bishop's challenge encouraging us to make it our daily practice to encourage one another and build each other up (1 Thessalonians 5:11).

We invite parents of children who receive certificates to join us for worship on a Friday in school. However, you can still join us virtually if it is easier for you. Monday – Thursday we have whole school worship at 2.45pm. On a Friday it is 1.05pm at All Saints and 2.30pm at St Martin. You are welcome to join us at any of these sessions.

Parent Survey

Please use the link or QR code below before March 14th to share your views with us. Thank you for working in partnership with us for your children.

Nursery Class

On Monday 23rd March we are dedicating the day to clear the Nursery class and garden, to give it a new lease of life for our mixed age EYFS Class. If you can help at any stage of the day we would be very grateful. There is a lot to be done. Please let Mrs Goodrum or Miss Stannard know when you can pop in. As part of this work is anybody able to help us **dispose of some tyres**? That would be wonderful. Thank you
