Newsletter 370, 19th June 2026

Dear Parents and Friends,

This weekend is the summer solstice and the astronomical start of summer. Did you know this is a moment in time (08.24 on Sunday 21st) when the sun reaches its highest and northernmost point in the sky? Next week does look like it's going to be a hot one so please send your child to school with a hat, sunglasses and sun cream. Let's enjoy the summer together safely.

## Weekly Worship Focus

Worship this week has been based on a text from Galatians chapter 3, verses 23-29. In this passage we are reminded that we are all of equal worth, nobody is any more important than anybody else.

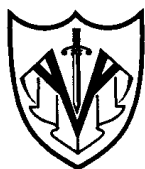

We have a new focus value this half term: Trust. Our values help us live our 'vision' - our golden words.

We invite parents of children who receive certificates to join us for worship on a Friday in school. However, you can still join us virtually if it is easier for you. Monday – Thursday we have whole school worship at 2.45pm. On a Friday it is 1pm or 2.30pm, please check with the office. You are welcome to join us at any of these sessions.

## New Community Councils

As part of our multi academy trust reforms we are establishing community councils within each school and these will also have a clearly defined role. They will support headteachers with community engagement activity and will report to the new RSB via the school's headteacher. All community council members will be known as "community ambassadors" because this is truly how we see them.

Please see the accompanying application pack.

## Attendance

Consistent attendance is directly linked to academic achievement. Children who miss school frequently are less likely to achieve the expected standards by the end of Key Stage 2. It also impacts a child's social and emotional development by disrupting peer relationships and routines.

If you were on holiday this week you will have missed lots of lovely things in school.

| Attendance: Our expectation is at least 96% |               |                             |               |

**LEARN TO FLOAT**

If you get in trouble in the water, don't panic – follow these steps:

1. Keep calm. Don't swim hard. Hold onto anything that floats.
2. Lean back to keep your mouth and nose out of the water.
3. Push your belly up and stretch out your arms and legs into a star shape.
4. Gently move your hands and feet to help you float.
5. Do this until you feel more relaxed.
6. When you're calm, raise your arm and shout for help. Swim to safety if you can.

| Who are we?               | Swan Youth Project is a youth and community project based at the heart of it's community. We support young people from age 8, plus their families with a wide range of high quality services. We work with a Trauma Informed approach, getting to know our young people and families really well. |
