Newsletter 371, 26th June 2026

Dear Parents and Friends,

What a hot week we've had! I'm so pleased we had the earlier sports days this year. I am aware that some local schools have closed due to the heat. We really believe that every day in school counts, and that home learning is not where anybody wants to go again unless absolutely necessary. The Department for Education states that *during severe weather conditions, you should keep your setting open and let as many pupils attend as possible, where safe to do so*. We have listened to advice and taken practical steps to keep children safe and comfortable in school. However, I'm sure we're all glad it's due to be cooler next week.

Weekly Worship Focus

Worship this week has been based on Luke chapter 9, verses 57-62. In this passage Jesus calls people to follow him without excuses and not turning back. Some of our children shared how they had become an expert at something by being single minded in their ambition.

We have a new focus value this half term: Trust. Our values help us live our 'vision' - our golden words. We invite parents of children who receive certificates to join us for worship on a Friday in school. However, you can still join us virtually if it is easier for you. Monday – Thursday we have whole school worship at 2.45pm. On a Friday it is 1pm or 2.30pm, please check with the office. You are welcome to join us at any of these sessions.

New Community Councils

As part of our multi academy trust reforms we are establishing community councils within each school and these will also have a clearly defined role. They will support headteachers with community engagement activity and will report to the new RSB via the school's headteacher. All community council members will be known as "community ambassadors" because this is truly how we see them.

If you are interested in joining our community council pop in for a chat:

Stay Safe in Hot Weather

Anyone can drown. No one should. And your school can play a vital role in sharing simple, lifesaving messages ahead of the summer. Even brief activities can make a real difference.

TEMPERATURES OF

Water safety code

- Stop and think.
- Stay together with a friend or family member.
- If you're in trouble in the water, Float to Live.
- Call 999 or 112 if you see someone else in trouble in the water.

Also, encourage your children to [practice floating](#) and to choose safer, supervised locations like lifeguarded beaches, swimming pools or lidos.
