Newsletter 373, 10th July 2026

Dear Parents and Friends,

It has been another hot week but both children and staff have done wonderfully well, carrying on learning and teaching as normal. Mars Class did some great work writing and presenting weather reports, and it was a good week to think about our carbon footprints. Well done everyone, I think it will be a bit cooler next week.

Weekly Worship Focus

Worship this week has included God's Green Guardians with a focus on our carbon footprint, worship through song and a focus on moving on to next year.

We invite parents of children who receive certificates to join us for worship on a Friday in school. However, you can still join us virtually if it is easier for you. Monday – Thursday we have whole school worship at 2.45pm. On a Friday it is 1pm or 2.30pm, please check with the office. You are welcome to join us at any of these sessions.

Roll Up

Next week is 'roll up'. The children will be in their current classes on Monday and Tuesday, then when they come into school on Wednesday they will go straight to their next year's class. Our Year 6 leavers will be based in the Eco Lab at St Martin and the Community Room at All Saints. If you have any questions please ask your child's current teacher.

Amazon Wish Lists

As we reach the end of another academic year we reflect again on what a privilege it is to work in our schools. We are so fortunate. Thank you for working with us to support your children.

We do not expect gifts for doing our jobs, however for those of you who would like to show your appreciation in this way teachers have put together some wish lists for resources that would benefit the children even more next year. Thank you in advance for your generosity.

If you're in trouble in the water, **#FloatToLive** could save your life:

- Tilt your head back with ears submerged
- Relax and try to control your breathing
- Use your hands to help you stay afloat
- It's OK if your legs sink, we all float differently

Practise floating at as supervised location, such as a swimming pool.

Remember it. Practise it. Share it.
