Newsletter 374, 17th July 2026

Dear Parents and Friends,

Thank you for working with us again this year, working together really facilitates the best outcomes for the children.

This week the children have 'rolled up' into their new classes, our leavers have finally received their SATs results and visited their high schools. What a spectacular year we've had! I am so proud of how much everyone has learned, grown, and achieved together. I hope you all have a fantastic, fun-filled summer holiday. Children, have lots of rest and get ready for an exciting new adventure next year, you are all capable of greatness, and I can't wait to see what you accomplish next year!

If you're in trouble in the water, **#FloatToLive** could save your life:

- Tilt your head back with ears submerged
- Relax and try to control your breathing
- Use your hands to help you stay afloat
- It's OK if your legs sink, we all float differently

Practise floating at as supervised location, such as a swimming pool.

Remember it. Practise it. Share it.
