WINNERS & NOMINEES PACK

CONGRATULATIONS

Congratulations on your achievement in the World AI Awards! Your nomination recognises your outstanding contribution, innovation and leadership within the field of artificial intelligence, placing you among an exceptional group of individuals and organisations shaping the future of AI. Whether nominated or selected as a winner, this recognition is a testament to the impact of your work and your contribution to the global AI community.

As a special mark of recognition, all World AI Awards nominees will receive a digital coin for display purposes, commemorating their nomination and achievement.

WORLD AI AWARDS WINNER TROPHY

The World AI Awards trophy is the centrepiece of the collection: elegant, contemporary and unmistakably premium. Crafted entirely from glass, with the World AI Awards identity embedded within the glass itself, its clean sculptural form creates depth, light and impact from every angle. Designed as a timeless statement piece for receptions, boardrooms, studios, innovation labs and investor-facing spaces, the trophy provides a prestigious symbol of recognition without individual award names or winner details. More than an award, it is a lasting marker of achievement and excellence within the global AI industry.
