January 20th, 2026

Breakfast at the hotel

Travel by private bus to Itapetininga (approx. 150km)

**Visit CEAGESP- CEAGESP is the largest wholesale market in Latin America**, located in São Paulo, Brazil. It's a massive hub for the distribution of fruits, vegetables, flowers, fish, and various other food products. Essentially, it's where much of the fresh produce that supplies São Paulo and surrounding regions begins its journey. Its vast scale and bustling environment offer a unique glimpse into Brazil's food supply chain and its economic impact. A visit to CEAGESP can provide a unique and insightful look into the logistics of food distribution in Brazil, as well as an opportunity to experience a truly dynamic market environment. Drive Boituva (approx. 110km).

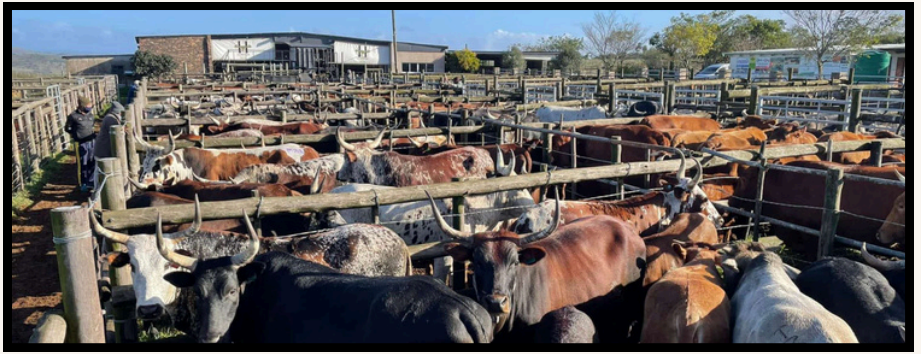

Lunch on the way

**Visit Wagyu producer - Tour of the farm**, including pastures, breeding facilities, and feeding areas. Insights into Wagyu breeding and management, including genetics, nutrition and animal welfare. Discussion on the Wagyu market and challenges in production.

**Dinner at the farm, featuring Wagyu beef - Return to São Paulo**

**Meals Included: Breakfast, lunch and dinner**

**Overnight: Radisson São Paulo Hotel**

January 21st, 2026

Breakfast at the hotel and check-out - Morning: Private bus transfer to Ribeirão Preto (approx. 315km)

**VISIT IAC - Agronomic Institute of Campinas:** The Agronomic Institute of Campinas (IAC), established in 1887, is a leading agricultural research center in Brazil. It plays a crucial role in the development and innovation of Brazilian agribusiness through its work in genetic improvement of crops, soil management and conservation, plant health, agricultural technology, and plant genetic resources. A visit to IAC a unique opportunity for knowledge exchange, learning about technologies relevant to diverse climates, insights into sustainable development practices, and exposure to cutting-edge agricultural innovation, including areas of common interest in crops. **Stop and lunch on the way**  
**Visit to a cattle livestock auction mart:** Observation of auction proceedings, including the presentation of animals, bidding process, and market dynamics. Discussion on cattle breeds, market trends, and the role of auctions in the livestock industry.

**Dinner in Ribeirão Preto**

**Meals Included: Breakfast, lunch and dinner**

**Overnight: Hotel: Hotel JP Ribeirão Preto**

January 23rd, 2026

Breakfast at the hotel - Drive to Monte Azul (98km - 1h)

**Visit Feedlot:** It is an immersive experience in Brazilian beef production. This feedlot operation is a benchmark for efficient management, advanced technology, and high-quality beef production. Producers will observe intensive production systems, contrasting with more extensive Canadian practices, and gain insights into cutting-edge technologies used in herd management, animal health monitoring, and production traceability. The focus on animal nutrition, welfare, and sustainable practices, along with the emphasis on high-quality genetics, provides valuable learning opportunities. This visit allows Canadian producers to explore different approaches to beef production, adapted to Brazil's climate and cattle breeds, fostering knowledge exchange and potential collaboration.

Lunch on the way

**Visit Meat processing plant:** It offers an experience into modern Brazilian beef processing: advanced facilities, adhering to strict quality control measures and employing efficient production workflows. See a comprehensive overview of the plant's operations, from live cattle arrival to the final packaging stage. The tour would focus on the plant's implementation of rigorous hygiene standards, precision cutting and packaging technology, and sophisticated traceability systems.

Drive back to Ribeirão Preto

**Meals Included: Breakfast and dinner**

**Overnight: Hotel JP Ribeirão Preto**

January 24th, 2026

Breakfast at the hotel and check-out

**Heading to State of Paraná** - To fully enjoy the journey and provide an insightful cultural experience, the group will make a strategic weekend stop midway between Ribeirão Preto and Londrina. This region offers a variety of engaging activities. **Experience authentic 'caipira' culture, enjoying traditional meals and live music, providing a taste of the region's rural heritage.** For those interested in natural beauty, the area boasts stunning rural landscapes with rivers, waterfalls, and native forests, offering opportunities for boat trips or ecological trails. The group will overnight in this charming region, continuing their journey towards Londrina, our first destination in the state of Paraná, the following morning. **This stop ensures a blend of cultural immersion and natural exploration, enhancing their understanding of Brazil before entering Paraná."**

Lunch on the way

Group Dinner

**Meals Included: Breakfast and dinner**

**Overnight: Hotel Parana**

January 25th, 2026

Breakfast at the hotel and check-out

Drive to Londrina, PR
