

SAINT JOSEPH CATHOLIC SCHOOL

Dress Code 2026-27

The SJCS uniform requirements promote commonality, pride in our school and its tradition, and a school climate conducive to high academic standards and self-discipline. Whether at school or in public, we ask our students to be proud of the uniform and to represent it well. Parents are responsible for purchasing and maintaining clothes that meet our requirements and to help monitor what their child is wearing when they leave home. By choosing to attend SJCS, parents & students accept the provisions of the uniform and must be in compliance at all times. We have an authorized vendor, BR Grafix (BRG) to make purchasing decisions easier.
