

The Pride of Southaven Band

The Southaven High School Band program has a proud history of being one of the elite high school band programs in the state of Mississippi – consistently placing in the top 4 at the MSHAA State Marching Band Championships and earning all Superior Ratings in marching and concert evaluations.

The Pride of Southaven Band Boosters' main goal each year is to give every student who has the potential and passion to learn and perform quality music the ability to do so, *regardless of their ability to pay*. Many of the students who have participated in the Southaven Band program have earned college scholarships - some have even become music teachers! Our booster program raises money each year through the football concession stands, student-driven fundraising, and our most important fundraiser, Sponsorships. Every dollar raised goes 100% to the Southaven Band program.

Individual Sponsorship of The Pride of Southaven Band Boosters is a great way to show your support for our kids and community and even comes with some sweet perks. Your contribution helps to provide travel, lodging, meals, uniforms, on-field props, and pay for entry fees as well as additional support staff for the program. Our booster organization is a registered 501C (3) non-profit corporation making your contributions completely tax-deductible, and a receipt will be provided.

If you are interested in becoming a sponsor of the Southaven Band program, please review and follow the instructions on the attached sponsorship form. Our students have more than earned the “Pride” in The Pride of Southaven Band. We encourage you to come to the football games and competitions to see how passionate, dedicated, and awesome these kids are! We hope you will consider supporting these amazing students and this crucial organization!

Sincerely,

The Pride of Southaven Band Boosters
