

AGILITY 16+ 125i CBS

SMART, MODERN & ECO-FRIENDLY

The Agility City 16+ 125i CBS is the latest model to be added to KYMCO's popular commuter range. This model features a new 4-valve, EFI, Euro 4 Spec 125cc engine, larger 16 inch front wheel, new combined braking system for greater safety, increased under seat storage space and a new ergonomically redesigned seat for added comfort. The Agility 16+ 125i CBS is the solution to urban commuting with great performance, modern styling and a superior finish.

GALLERY

FEATURES

4-VALVE EFI FOUR-STROKE ENGINE

Modern 125cc, 4-valve, EFI, four-stroke engine with a higher technical specification over its predecessor.

ADVANCED ELECTRONIC FUEL INJECTION

Electronic fuel injection (EFI) is mapped to deliver an even power curve while maintaining consistent fuel economy.

RUN CLEAN AND EFFICIENT

Euro 4 compliant engine runs cleaner creating fewer emissions.

SIMPLE TWIST AND GO TRANSMISSION

Twist and go CVT automatic transmission for easy operation.

COMBINED BRAKING SYSTEM (CBS)

Combined braking system with hydraulic front and rear disc brakes for a more progressive, safer and well balanced feel.

16 INCH FRONT WHEEL

Large 16inch front wheel provides greater stability and increases rider comfort with long travel suspension.

STABLE HANDLING

Traditional telescopic fork and rear twin shock provide stable handling.

SPACIOUS TOP CASE

Genuine accessory top case with colour coded hard lid included as standard provides deep storage for a helmet and other riding gear.

CARRY EVERYTHING YOU NEED

Increased under seat storage space that is lockable.

EASY ELECTRIC START

Electric start makes starting easy every time.

CHARGE ON THE GO

Charging outlet to charge devices on the go.

MAKE PARKING SIMPLE AND EASY

Effortless centre stand and practical side stand make parking simple and easy.

COMFORT

New ergonomically redesigned seat for added comfort.

ROOM FOR A PILLION PASSENGER

Comfortable pillion position with grab handle and foldout footrests.

MODERN INSTRUMENTATION

Modern instrument display with speedometer, odometer, fuel indicator and digital clock.

POWERFULL LED LIGHTING

Bright LED lights and headlight with broad beam of light.

STEERING LOCK

Steering lock deters theft.

EASY TO CLEAN MATTE FINISH PLASTICS

Matte finish plastics around the floorboard and pillion foot rests are easy to clean and prevent scuffing.

LAMS APPROVED

Ride under the Learner Approved Motorcycle Scheme (LAMS).

FACTORY WARRANTY Three year factory warranty program* provides advanced product coverage and delivers a superior ownership experience.
