

AGILITY 16+ 300i

EFI ☒ EURO 4 ☒ ABS ☒ NOODOE ☒ 16 INCH FRONT WHEEL (16+ WHEEL) ☒

HAVE THE BEST OF BOTH WORLDS

The Agility 300i is a highly versatile maxi scooter that is the perfect size for navigating inner city streets and has the flexibility to cruise comfortably on the freeway.

This do all scooter features a 279cc EFI engine that delivers smooth power and meets Euro 4 standards, equipped with Bosch ABS brakes for added safety, bright LED lighting, Noodoe smart dashboard technology, a large windscreen and handle bar defectors for added protection at high speed and heaps of under seat storage space to nip down to the shops. The Agility 300i is one highly versatile scooter that is the perfect stepping-stone for customers looking to move into the KYMCO maxi range.

GALLERY

FEATURES

EFFICIENT FOUR-STROKE ENGINE

279cc Euro 4 Spec EFI engine that provides a smooth and constant power output across the rev range.

ADVANCED ELECTRONIC FUEL INJECTION

Electronic fuel injection is mapped to deliver an even low down power while maintaining consistent fuel economy.

RUN CLEAN AND EFFICIENT

Euro 4 compliant engine runs cleaner creating fewer emissions.

SMART NOODOE TECHNOLOGY

Noodoe is the worlds first rider centric navigation system designed with the utmost attention to the safe driving of riders, very easy to read and simplest direction to bring the safest experience when riding. A newly developed Noodoe Navigation will be onboard as one of its most desirable features and combined with Noodoe display of cockpit that is a dust and water-proof device. All KYMCO Noodoe owners will be able to enjoy Noodoe Navigation with a simple up load of the Noodoe App to a mobile phone, without any hardware modification and extra GPS/mobile phone stand.

SIMPLE TWIST AND GO TRANSMISSION

Twist and go CVT automatic transmission inspires rider confidence and allows for easy operation.

SUPERIOR STOPPING POWER

Single front 300mm disc and rear 240mm disc with Bosch ABS to deliver consistent, progressive braking performance in all conditions.

16 INCH FRONT WHEEL

Large 16inch front wheel provides greater stability and increases rider comfort with long travel suspension.

GET THE LOOK

Sharp lines, integrated LED lighting design and heightened front screen set the look.

MAKE PARKING A BREEZE

Effortless centre stand and practical side stand make parking a breeze.

ENDLESS STORAGE

Expansive and secure under seat compartment provides deep storage for two full face helmets.

ALWAYS BE FULLY CHARGED

USB charge port, handy to charge devices on the go.

FUN NO MATTER THE CONDITIONS

Broad windscreen and handle bar deflectors provide enhanced wind and weather protection allowing a comfortable ride no matter the conditions.

ROOM FOR A PILLION PASSENGER

Comfortable pillion position with fold out foot pegs and grab handle.

KEYLESS START

Keyless starting technology for easy start and stop operation.

SUPERIOR DAMPING

Traditional telescopic fork and dual rear shocks deliver responsive handling and superior road holding ability.

ERGONOMIC SEATING

A wider backrest and seat for extra comfort, perfect for long distance rides.

POWERFUL LED LIGHTING

Ultra bright LED headlight with broad beam of light and LED lights all-round.

CHOOSE YOUR COLOUR

Available in Matte Silver or Dark Blue.

LAMS APPROVED

Ride under the Learner Approved Motorcycle Scheme (LAMS).

FACTORY WARRANTY

3-year factory warranty program* provides advanced product coverage and delivers a superior ownership experience.
