TRACTION CONTROL 

SHARPER, SMARTER AND MORE SOPHISTICATED SPORT-TOURING SCOOTER

KYMCO's second-generation Downtown 350i is headed Down Under featuring a more refined Euro 4-compliant engine and the added surety of traction control for a sharper, smarter and more sophisticated sport-touring scooter experience. It also debuts KYMCO's rider-centric Noodoe Navigation system as standard, which allows you to focus on the road, putting safety first.

GALLERY

FEATURES

EFFICIENT FOUR-STROKE ENGINE

The Downtown 350i TCS produces 21.2kW (28.8hp) of power and 30Nm of torque for maximum engine flexibility in all urban and touring environments. Additionally, peak power of the G5SC powerplant is produced lower in the rev range (now at 7250rpm) while peak torque is produced at 5750rpm for enhanced performance at lower rpm.

ALWAYS BE FULLY CHARGED

A USB port is readily accessible in the front glove box compartment to recharge devices while on the move.

FUN NO MATTER THE CONDITIONS

Broad front fairing design and heightened front screen provide enhanced weather protection allowing a comfortable ride no matter the conditions.

FEATURES CONTINUED

ADVANCED ELECTRONIC FUEL INJECTION

Electronic fuel injection is mapped to deliver an even low down power while maintaining consistent fuel economy.

RUN CLEAN AND EFFICIENT

Further refined Euro 4 compliant engine runs cleaner creating fewer emissions

SUPERIOR STOPPING POWER

Stopping power comprises twin 260mm floating discs with three-piston calipers up front while a twin-piston caliper bites a 240mm disc at the rear.

BOSCH ANTI-LOCK BRAKING SYSTEM (ABS)

Bosch ABS is the most reliable and fastest acting emergency braking system on the market. The Like is equipped with Bosch's 9.1M ABS system, which is the lightest anti-lock braking system in the industry, at only 0.7kg.

TRACTION CONTROL

Standard fitment of traction control, which in addition to the existing surety of ABS brakes, adds a high degree of safety and confidence to the riding experience.

SMART NOODOE TECHNOLOGY

Noodoe is the worlds first rider centric navigation system designed with the utmost attention to the safe driving of riders, very easy to read and simplest direction to bring the safest experience when riding. A newly developed Noodoe Navigation will be on board as one of its most desirable features and combined with Noodoe display of cockpit that is a dust and water-proof device. All KYMCO Noodoe owners will be able to enjoy Noodoe Navigation with a simple up load of the Noodoe App to a mobile phone, without any hardware modification and extra GPS/mobile phone stand.

TYRES ENGINEERED FOR PERFORMANCE

120 x 80 – 14 inch front and 150 x 70 – 13 inch rear tyres deliver outstanding handling and response.

ROOM FOR A PILLION PASSENGER

Comfortable pillion position with fold out foot pegs and grab handle.

ANTI-TAMPER IGNITION

Anti-tamper, multifunction ignition lock that acts as a theft deterrent.

SUPERIOR DAMPING

Dual five-position adjustable rear shocks and telescopic fork deliver responsive handling and superior road holding ability.

CONTEMPORARY INSTRUMENTATION

Contemporary instrumentation cluster is illuminated with bright LED lighting and features an intuitive multifunction display – speedometer, odometer, trip meter, fuel gauge, water temp, air temp, voltage gauge, oil gauge and emergency light.

ERGONOMIC SEATING

Plush yet hard-wearing seating provides rider and pillion passenger maximum comfort, perfect for long distance rides.

SEGMENT LEADING LIGHTING DESIGN

Dual headlamps with circular LED position lamps, large arrowhead design LED indicator lamps and integrated dual diamond shaped tail lamps with LED market lamp increase vehicle visibility.

FEATURES CONTINUED

SIMPLE TWIST AND GO TRANSMISSION

Twist and go CVT automatic transmission inspires rider confidence and allows for easy operation.

GET THE LOOK

Sharp lines, integrated lighting design and heightened front screen deliver an aggressive stance.

MAKE PARKING A BREEZE

Effortless centre stand and practical side stand make parking a breeze.

ENDLESS STORAGE

A double glove compartment is at the ready convenience for small, quick-access items. Furthermore, a huge underseat storage, replete with courtesy light, accommodates two full-face helmets* with ample room for more items.

*Certain helmet shapes may not fit in the underseat storage compartment.

CHOOSE YOUR COLOUR

Available in Matt Silver or Matt Grey Metallic.

LAMS APPROVED

Ride under the Learner Approved Motorcycle Scheme (LAMS).

FACTORY WARRANTY

3-year factory warranty program* provides advanced product coverage and delivers a superior ownership experience.
