## Our Customer Reviews

**"We would like to express our appreciation for the way our new kitchen was designed, installed, and completed on schedule to such a high standard of workmanship".**

We really have appreciated the advice and help in achieving a kitchen which really does reflect what we hoped for in its appearance, function and enhancement to our property. Whilst at the same time creating everything we wanted in our new kitchen.

The standard of workmanship throughout was outstanding and we are grateful for the way we were kept informed during the process. We are so glad we decided to carry out the tiling of the floor in consultation with you and also to complete the whole project by having it decorated. We would not hesitate to recommend Applewood."

Pauline & John Smith, Ascot

**"A huge thank you to Applewood for everything you have done for us, from Janaye's incredible vision and endless patience with us whilst designing the kitchen, to the seamless installation of the kitchen which ran to schedule with everything going to plan, and for the amazing customer service every step of the way.**

We are so grateful for everyone's help and professionalism at Applewood. We are delighted with every single aspect of our wonderful kitchen. We can't recommend Applewood highly enough."

Anna & Matt

**"Our kitchen is finished and we understand now why people talk about their "dream kitchen".** Thank you to Applewood for a first rate service from design through to completion to give us a beautiful new kitchen. 5 star plus is our rating for Applewood – for quality of units, planning and advice, friendly professional craftsmen with quality work and attention to detail being their goal."

Pat & Ian Fairbairn, Maidenhead

**"We would like to thank you all for your excellent service in designing and fitting our new kitchen. It looks fabulous and we are delighted with the final result.**

The process from design to installation was seamless and you accommodated us without any problems when we had to move our fitting dates over Christmas and New Year. A thank you to Jim for his time and effort designing our kitchen and your fitters, Andy, Andy and Dave who were very cheerful and fitted our kitchen to a high standard. We would happily recommend Applewood to anyone looking for a new kitchen."

Paul and Justine Bevan, Windsor

**Wow what can i say!! I just wanted to take a moment to thank you all for the part you have played in my incredible new kitchen.** I am so grateful to everyone involved; Zoran for helping me with my design; everyone in the team making me feel so welcome every time I visited the showroom; Michael for delivering and superstar Dave for fitting everything so perfectly. The kitchen is of stunning quality and looks amazing - so very happy.

Kirsty Hopperton, Frimley

With the right appliances, you can create a beautiful kitchen that is perfectly suited to your needs.

### Taps & Sinks

Our selection of taps and sinks come from trusted names, so you can be sure you're getting quality products that are built to last.

We also offer a variety of styles and finishes, so you can find the perfect pieces to match your decor. Plus, our prices are competitive, so you can get the best value for your money.

# Appliances

## Fridges & Freezers

By equipping your bespoke kitchen with top-notch integrated appliances, you can craft a look that is both aesthetically pleasing and functional.

With the right appliances, you can design a kitchen that is tailored to your individual needs and preferences.

## Laundry & Dishwashers

We have the best selection of washers and dryers from the top brands, so you can find the perfect combination of style, performance, and efficiency to suit your needs.

With a SmartHome function you can keep an eye on your appliance, even when you're not at home - via smart-phone or tablet PC. You can even receive alerts when a cycle is complete, so you can get your laundry done in no time!

## Food Waste Disposers

Eco-friendly food waste disposal! This reliable and efficient unit is designed for tough kitchen scrap removal. It eliminates any worries of clogged drains or foul odors. The grind system quickly and easily grinds down food waste, giving you peace of mind when it comes to disposing of leftover cooking ingredients. The stainless steel build ensures a long life and is also quiet in operation. And its thoughtful design allows for easy access to the twister and grind components, making maintenance and cleaning a breeze.

# Internal Solutions & LED Lighting

Maximise the utility of every inch within your cabinetry by incorporating ingeniously crafted storage solutions that will revolutionise your utilisation of the newfound space. Designed with ingenuity, these solutions are tailored to declutter and arrange an array of items, from cookware to cleaning essentials, ensuring effortless visibility and accessibility.

With an array of style choices at your disposal, you can cherry-pick an option that resonates with both your preferences and design sensibilities. This ensures that the interior of your cabinetry is as aesthetically pleasing and thoughtfully organised as its exterior, creating a harmonious and functional kitchen environment.

As kitchens are increasingly performing on a multi-functional level, adequate lighting is essential. A cleverly designed lighting scheme has the power to transform a kitchen into a truly impressive space that sets the mood for cooking, dining, relaxing and entertaining. A diverse range of LED lighting options are available to ensure your kitchen design is taken to the next level in terms of both style and practicality.
