

Phoenix Cremation Package

\$1995

Please Note: The Phoenix Cremation Package is a limited-service package in terms of arrangement assistance. This package differs greatly from Clock's full-service cremation packages. This package is designed for families who are willing to complete arrangements online, or during limited time via a conference call or complete the paperwork themselves at Clock Funeral Home's location with the assistance of a certified cremation arranger by appointment only.

Package Price Included

- Removal of deceased (within Muskegon and Ottawa County) from the place of death 24 hours a day, 365 days a year.
- Arrangement assistance with a certified cremation arranger and basic staff services Monday – Friday's only (9am. – 4pm.) No weekends or holidays.
- Necessary authorizations.
- Basic alternative container to encase the body for cremation.
- Refrigeration / Shelter of the deceased prior to cremation.
- Filing of death certificate.
- Crematory fee is included.
- Required Muskegon or Ottawa County's Medical Examiner's cremation permit.
- Cremated remains will be returned in a plastic container suitable for burial.
- Obituaries provided by the family will be posted on the Clock Funeral Home website.
- A death notice will be placed on the Clock Funeral Home website if an obituary is not provided.
