

THE

TERRACE

Thank you for your enquiry for The Fox & Willow, regarding exclusive use of The Terrace.

We offer a set menu for up to 50 guests, or a buffet menu up to 75 guests. The room is available from breakfast, lunch or dinner, as well as drinks or canapés for up to 75 guests. Hidden away on the ground floor, The Terrace provides the perfect escape for entertaining friends, family or corporate clients.

Our dedicated management team, is available to assist with any detail to enhance your occasion, whether that be guidance with menu selection, music, floral arrangements, table layouts and any other bespoke considerations.

Please see our menu selections in this brochure with prices visible on each selection.

MORE DETAIL

For use of The Terrace, we do not have any room hire charges, but instead prices are based on a minimum number of guests, and package selected. To secure your booking, we will require a £10 per person deposit, which is non-refundable but transferable in the event of a cancellation. The deposit amount is deducted from your bill at the end of your meal, importantly, a booking isn't confirmed until your deposit has been paid.

Audio Visual

Please note amplified live music is permitted and restaurant background music is available. We cannot supply musicians or DJs, but can help with recommendations. You are welcome to play your own music through the sound system in the room.

Decor

Please note, that we do not allow any table confetti, banners or anything that needs stuck to the wall due to paintwork and wall designs. We can however, allow any freestanding decorations such as balloon displays.

Bills

We cannot separate bills in numerous quantities, we can split into a food and a drink bill. This is due to the amount of time that is taken to do this, which will ultimately affect your service and other guests that we have with us.

Timings

Please arrive at the time of your booking, where we will be there to warmly welcome you and your guests promptly at that time. This allows us to comfortably seat you, ample time to settle in, get a drink in hand and explore your menu. The order will be taken 30 mins at latest after booking time, and buffets served at agreed time of reservation host. Our booking schedule is precise and spread to allow the best possible service for all your guests and others. We may face limitations in accommodating late arrivals without disrupting the dining experience of the whole venue.

To book The Terrace for exclusive use your party would require a minimum of 30 guests (maximum of 50 for a sit down meal with a Set Menu; maximum of 75 guests with the Buffet Menu). If your number drops below this you will be charged £10 per guest below this number or, if you contact us 48 hours before, we will move your party out of this room if you are below the minimum number. The time that you are booked in is your strict arrival time. Your order will be taken 30 minutes after this time. If all of your party haven't arrived we will have to take the order without them.

If you have more than 50 in your party and require a sit down meal we can offer an alternative area in the main restaurant or the buffet options in The Terrace will be available.

*Just so you know, set menus may change if your booking is far in advance.

We apply a discretionary optional 8% service charge to the bill for all parties. 100% of all service charge goes to our valued staff.
