Re: January 2025 Community Policing Report

- **BBHS Driver's Ed** – Sgt. Pikulin collaborated with the BBHS 10th-grade Driver's Education classes to offer valuable instruction and hands-on demonstrations for the students who are about to become drivers. Over the course of two days, he visited five different classes, providing essential knowledge to our future motorists as they embark on their driving journeys. While the core of his presentation focused on the intricacies of DWI investigations, Sgt. Pikulin also took the time to offer insightful advice about interacting with law enforcement during a traffic stop. His guidance aimed to prepare the students not only for safe driving practices but also for the realities of what to expect and how to handle potential encounters with police officers on the road.
- **Little Hugs** – Officers Hutchins, Corado, and Whitley took time away from their busy shifts to visit the Little Hugs Preschool, making a special effort to connect with the youngest members of the community. During their visit, the officers engaged with the children through a variety of fun and educational activities, including coloring and reading stories. They took the opportunity to explain the important role of a police officer in the community, sharing insights about their duties and responsibilities. The officers also offered valuable safety tips and reassured the children that they could always trust law enforcement officers if they ever needed help. The visit was a heartwarming way for the officers to build trust and positive relationships with the future generation.

Respectfully Submitted,

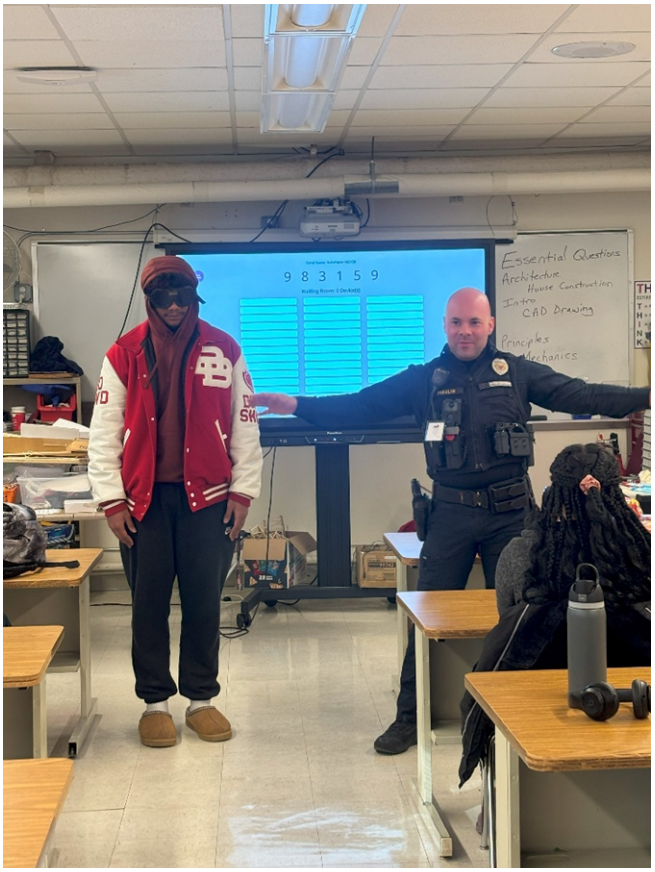

Sergeant Robert Pikulin
