

GIFT CERTIFICATE PROGRAM

The Darke County Chamber of Commerce Gift Certificate Program keeps shopping dollars in Darke County and within the businesses of participating Darke County Chamber of Commerce members. Started in 1990, this program has provided two million dollars in revenue for our members.

The program is voluntary and very easy. Darke County Chamber of Commerce Gift Certificates are printed in \$5.00, \$10.00, and \$25.00 denominations.

Certificates may be purchased at the Chamber office at 130 Martz Street, Suite 5, Greenville. Anyone may purchase gift certificates.

- Gift certificates may be redeemed only by participating Chamber of Commerce members. Currently, more than 100 of our members participate in this program.
- A list of redemption businesses is given whenever gift certificates are purchased.
- The gift certificates are stamped with the expiration date and must be used within one year of the date of purchase.
- Expired gift certificates will not be reimbursed for their value upon return to the Chamber.
- Certificates must be redeemed for at least 80% of their face value in goods or services. This prevents someone from using a certificate to buy a pack of gum for 50 cents and receiving \$9.50 in change.
- To receive reimbursement for redeemed certificates for their full face value return them to the Darke County Chamber of Commerce office. You can either bring the certificates to the Chamber office for instant reimbursement or you can mail them to us. We will issue a check by return mail the same day.

Each participating Chamber member receives a door or window decal showing them as a business that accepts gift certificates.
