

ROBESON TOWNSHIP
ENVIRONMENTAL ADVISORY COUNCIL

Minutes
August 6, 2026

Present: Anne-Marie McMahon, Rob Horst

Guests: Sally Stalnaker, Rick Steele, Tom Keim, Osmer Deming, Township Manager

1. Call to Order and Pledge of Allegiance
2. Roll Call
3. Approval of Minutes - 7/2/26. Approved by unanimous consent.
4. Discussion Items
 - Data Center Ordinance update
 - The draft ordinance is still with the township engineer who is looking at setbacks to ensure it is not overly restrictive. Per Manager Deming, the ordinance is on track to be passed by the end of the year.
 - The owners of the property at Cedar Hill Estates went to the planning commission on Monday inquiring about residential housing and/or data centers on the lot. This was not a formal proposal.
 - Advertising the composting workshop
 - Sat., Sept. 26 at Gibraltar Park Pavilion, 1-3 pm
 - Manager Deming confirmed the park pavilion was available and will put the date on the township calendar. He will also post to the township's FB page and website, but only after NatureFest has concluded.
 - NatureFest - advertising the event
 - Union Township and Robeson Township event on Sat., Aug 22 at Union Meadows East. Manager Deming will post to the township's FB page and website now to help advertise. People present took printed copies of the flier to post up around the community.
 - Access to the building
 - Per Manager Deming, he will be issuing a key fob for the chair of each committee which will be active from 6:45-7:15, with automatic locking. Timing TBD.
 - Native Tree giveaway
 - We have been unable to identify a program similar to the one we participated in for 2024 and 2025, and thus cannot implement again this year.

Adjourned 7:35 pm
