Stewardship Bridge

"My child, remember that you received what was good during your lifetime while Lazarus likewise received what was bad; but now he is comforted here, whereas you are tormented. Moreover, between us and you a great chasm is established..." LUKE 16:25-26

When God created the world, He declared that it was good and He gave it to all mankind for us to enjoy. However, over the years we have created a chasm between those who have great gifts and those who do not. In today's Gospel we see that with our own **Stewardship** we must bridge that gap between those who have much and those who have little, or we may find ourselves on the wrong side of the chasm in the next life.

Weekly Prayers of the Faithful—That our eyes may be open to the needs around us, and our hands and hearts may be open to sharing our gifts through **Stewardship** to make this world a better place for all of us. *Let us pray to the Lord.*

HISTORY OF PRIESTHOOD **SUNDAY SEPTEMBER 28**

It began in the early 2000s when a national Catholic lay group first proposed the idea. The National Federation of Priests' Councils helped lead the early effort.

Other groups like the Knights of Columbus, vocation directors, lay ministers, and parish leaders soon became a part of this effort. Their goal was to help Catholics recognize, thank and support the priesthood more visibly. Priesthood Sunday quickly became a yearly tradition across the United States.

Local communities plan events, offer prayers and share personal thanks with their parish priests. The focus stays on the role priests play through liturgy, sacraments and spiritual guidance.

Organizers wanted lay people, not clergy, to guide the celebration. Every day, churchgoers lead planning, making announcements, preparing meals, and writing messages. That structure encourages stronger personal connections between priests and the people they serve.

The day also started deeper conversations across the country. People talked more openly about the pressures priests face, their unique role and how parishes can better support them. These talks brought attention to both the challenges and the meaning behind priesthood. Today, Priesthood Sunday continues to grow.

Intenciones de Misa

Los efectos que tiene la Misa son purificadores y de reparación, esto lo encontramos en el mismo Catecismo: "En cuanto sacrificio, la Eucaristía es ofrecida también en reparación de los pecados de los vivos y los difuntos, y para obtener de Dios beneficios espirituales o temporales" (CEC 1414).

El llamado "fruto ministerial", que propiamente son los beneficios que obtienen aquellos por quienes el Sacerdote ha ofrecido una Misa en particular. Por algún enfermo, difunto, alguna pareja de novios, por alguien que celebra su cumpleaños, etc. A través de ese ofrecimiento, el poder que tiene una Misa, por la misma gracia de Cristo que se ofrece por todos, se enfoca en especial hacia la intención.

Llame a la oficina para solicitar sus intenciones de Misa (\$15 Donación)
