

# CENTERRA

# CALF CREEP

## BENEFITS

### HIGHLY PALATABLE

Ideal flavor profile and texture to get young beef calves started

### A GREAT COMBINATION

Ideal for achieving added performance and growth in beef calves that are still nursing

### NUTRI-TEK

For increased immune response, stress prevention, and overall health

### RUMENSIN & FIBER

For additional calf safety

Please contact your local Centerra Beef Feed Consultant with any questions. We can help customize the best Beef nutrition program for your operation.

Manufactured for Centerra Co-Op, 813 Clark Ave., Ashland, OH 44805
