VIETNAM KEY DESTINATION FOR CENTERRA

Vietnamese leaders visited Columbus in early June to sign a Memorandum of Understanding (MOU) with Ohio farm groups. This agreement will have big implications for Ohio agriculture and Centerra. We ship your soybeans directly to Asian markets. Vietnam is our second highest destination for beans. For more information visit <https://ocj.com>, search VIETNAM.

CORTLAND STORE TO CLOSE

It is with gratitude and sadness we announce the upcoming closure of our Centerra Country Store in Cortland, OH. After proudly serving Cortland and the surrounding communities since 1934, the store will close its doors later this summer.

This difficult decision comes as a result of ongoing changes in the retail landscape, declining sales, and increasing needs of the property. While the decision was not made lightly, it was necessary to ensure the continued strength and sustainability of Centerra Co-op.

‘We are incredibly thankful for the loyal customers who have supported us for over nine decades,’ said a Centerra spokesperson. ‘The Cortland store has been more than just a place of business—it’s been a gathering place and trusted partner to the local community.’

A store-wide sale is underway now through the final day of operations, offering customers the opportunity to stock up on the products they know and love.

Customers are encouraged to continue shopping at nearby Centerra locations in Jefferson, Ravenna, Chardon, and Volant (PA), which offer the same trusted products along with services such as propane tank refills and delivery options.

As Centerra reflects on the legacy of its Cortland store, the co-op remains committed to supporting local agriculture and serving rural communities across northeast OH and western PA.

GOLF FOR THE CURE

If you like to golf, we’ve got a great opportunity for you! This year’s Fueling the Cure golf outing will take place Friday, July 25 at The Pines Golf

Club in Orrville, OH. We would love to have you join us! Cost for this day-long scramble is \$100/person which includes fun games, prizes and a catered lunch. Any amount of sponsorship is also welcome. All proceeds support cancer research at The James and The Ohio State University. To register and/or sponsor visit

CENTERRA SHARES AG WITH TEACHERS

The 8th annual 2BE Connected event drew teachers from four school districts June 9-10. The purpose of the event is to give teachers a look behind the scenes to learn what employers are looking for as students graduate high school. The knowledge shared with teachers over the two days ultimately helps students as they enter the workforce. Thank you Chad Zimmerly and Matt Fugate for guiding the Centerra tours. Teachers visited our Ashland

fuel, propane and country store site. They shared, among many things, how technology has evolved and changed

the way fuel and propane deliveries are made. Information like this helps teachers and students see opportunities in fields they might not normally consider.

CENTERRA MEDINA UP FOR BEST OF THE BEST

Our Medina Country Store was nominated for the Medina Gazette’s Best of the Best Award under the SHOPPING category in the FARM EQUIPMENT/SUPPLIES group. The final round of voting is July 8-17. If you’d like to vote for our Medina Store, use the QR code to vote as many times as you’d like!
