CONSERVATION CHAT: LAGOON LIFELINE

>> MANURE PIT SAFETY TRAINING <<

FREE for area farmers & first responders

- DECEMBER 6 at 9AM
- VALLEY VISTA FARM
1567 CR 175, Jeromesville, OH
- Manure pit simulator on site

Training designed specifically for farmers and first responders. At this hands-on training event you will learn how to perform rescue operations in a low oxygen situation, identify hazards and more. Event hosted by Ashland, Holmes

and Wayne SWCD as well as Ashland and Wayne Farm Bureaus.

NEW GRAIN PITS

This summer Andover had 2 new grain pits installed. They are now able to dump 3 times faster and multiple commodities at once!

CHAMPIONING CENTERRA

“This was my first time in here (Cambridge Springs, PA) and the service was great. Joann took care of me at the counter and then went out and loaded up the wood pellets. I would recommend this place to anyone to try if they’ve never been here.”

—James Keen

“I had an amazing chat with one of the girls working there (Chardon Country Store), I think she said her name was Jenna. She helped me find exactly what I needed, she knew everything I was looking for. She let me talk her ear off, she was very polite, and I just had to leave a review about my experience. Thank you for the wonderful experience. I recommend shopping here. It is such a friendly environment.”

—Nancy Kohmer
