

# Athletic Event Information 2021

## Welcome

Welcome to Bishop Kelley High School. Below you will find information regarding your community's visit to our athletic facilities. Please distribute this information to your team and personnel, along with any community members who may be entering our campus. In the current health climate, there are a number of unique challenges for schools to address as visitors come on campus. We hope you find the information below helpful for your visit to Bishop Kelley. If you have further questions, please contact Athletic Director Lance Parks at [lparks@bishopkelley.org](mailto:lparks@bishopkelley.org).

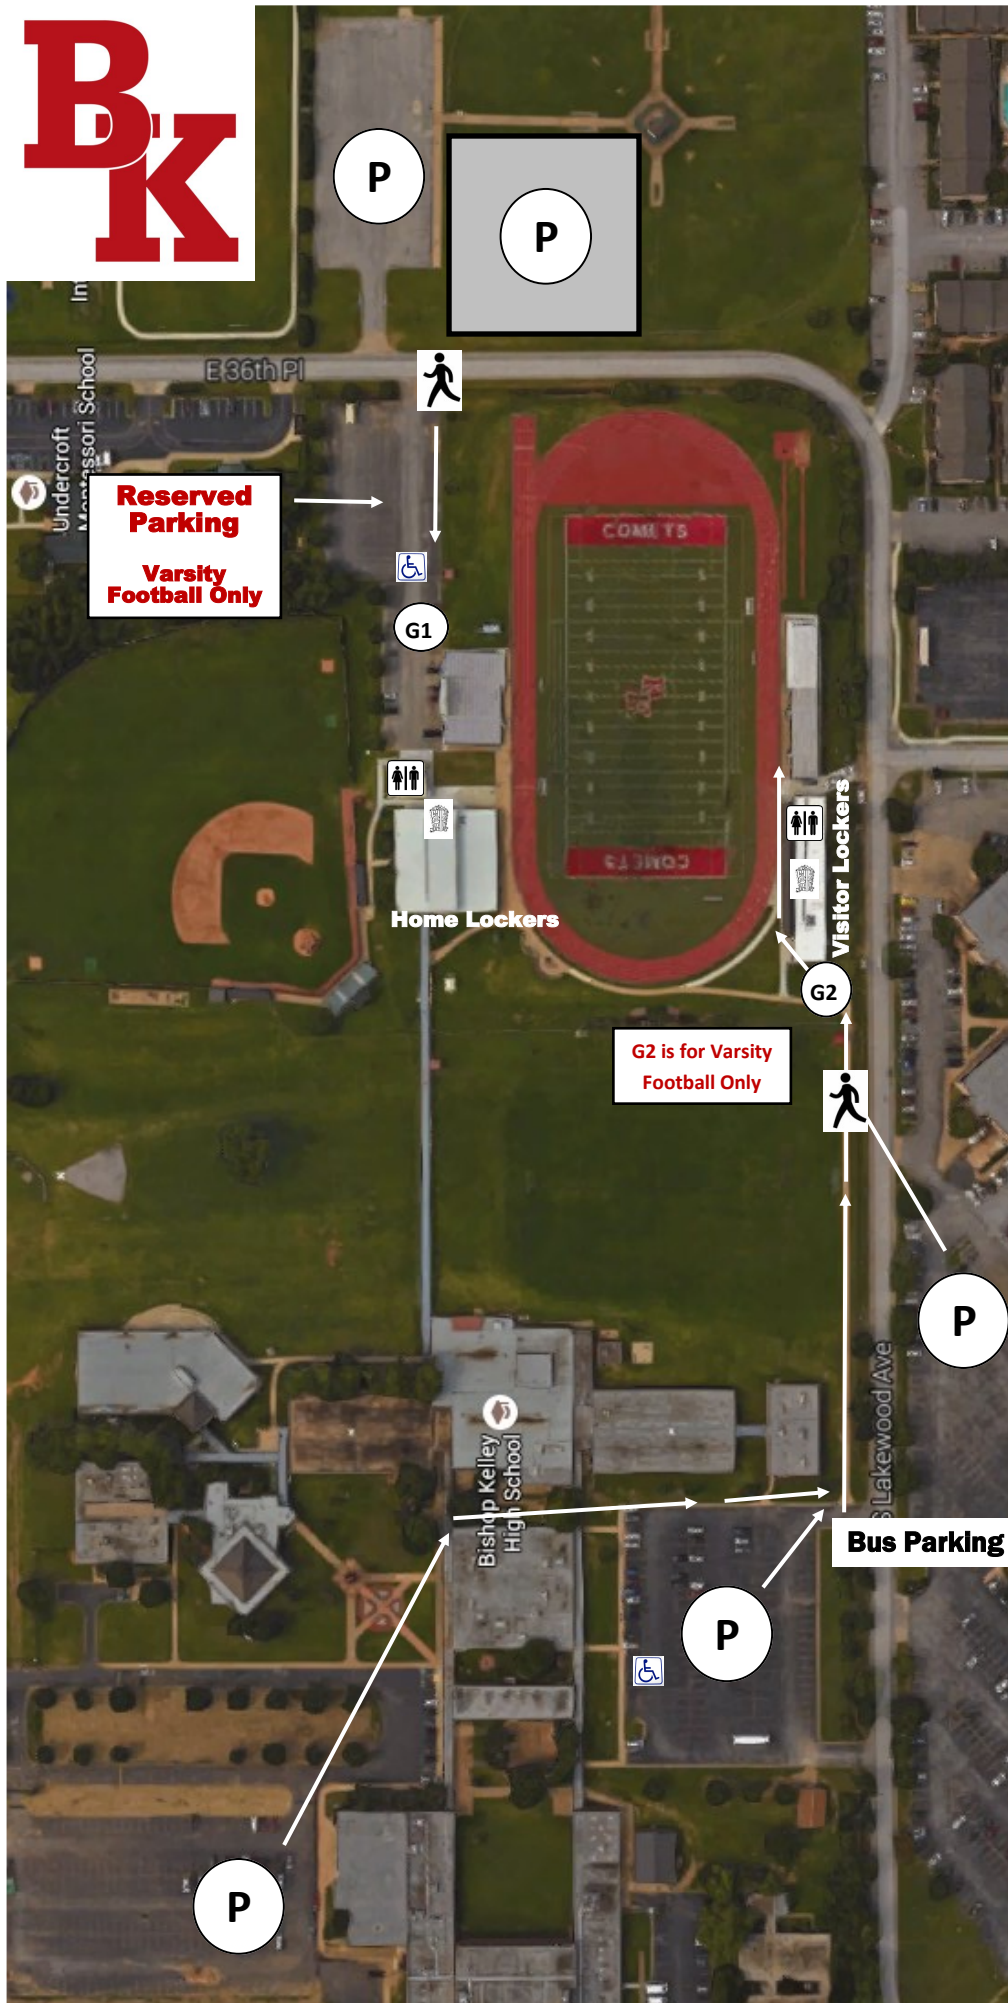

## General Protocols for Angelo Prassa Field

- Secure locker room facilities will be available for visiting teams.
- Patrons should sit only in designated areas in bleachers. Please do not stand in the stadium walkways or on the stadium stairs.
- Bishop Kelley will have a Certified Athletic Trainer on site for the event. Visiting teams will need to provide any taping material they need for pre-game.
- During and directly after the event, no unauthorized personnel are allowed on playing surface. Upon conclusion of athletic event, please exit the facility safely and orderly at designated exits.
- Only necessary personnel from both teams will be allowed in the bench and press box area for the duration of the event.
