

As a favorite neighborhood staple here in South Omaha, you see firsthand how a close-knit community makes our area special. At Nebraska Haymakers Athletics, we take pride in teaching discipline, teamwork, and pride to the next generation of local youth.

This coming season, we have 4 to 5 competitive teams ranging from 8U to 14U. Our home base is right down the street at Churchich Park, where our families, relatives, and neighbors gather multiple nights a week from early spring through the summer.

To keep competitive baseball truly affordable for our local families, we intentionally keep our registrations low. We cover the rest of our expenses—like safety equipment, field prep, and tournament entries—by partnering with great neighborhood businesses like yours. We know every dollar counts for a small business, so we built a Community Partner Sponsorship specifically designed to be affordable while giving you direct visibility among local families:

Dugout Team Banner Sponsor (\$500): Your business logo prominently featured on our team banners displayed right on the dugout fence during our home games at Churchich Park and travel tournaments.

Practice Shirt Supporter (\$250): Your business name or small logo featured on the back of our weekly team practice shirts worn by our athletes all season long.

Base Hit Contributor (\$100): A direct donation to buy new baseballs and safety gear. We will proudly feature your business name on our official website donor page.

Every single dollar goes directly into safety gear and team costs. Because we operate as a registered non-profit under Nebraska Haymakers Athletics, your contribution is 100% tax-deductible.

I would love to drop off our basic sponsorship sheet this week. Thank you so much for your time, your hard work running a local business, and your support of our neighborhood kids!

Play ball,
Lee Koenig
