

As a prominent business leader in the Omaha metro area, you know how crucial a strong community is to success. At Nebraska Haymakers Athletics, we believe that youth sports are the perfect environment to teach discipline, resilience, and civic responsibility to our next generation of leaders.

This coming season, our organization is proud to support 4 to 5 dedicated competitive teams, spanning age divisions from 8U all the way up to 14U. Our home base is right down the road at Churchich Park, where our athletes practice and host games multiple times a week from early spring through the summer. Our travel tournament circuit also takes us directly to major regional sports complexes across the area, bringing massive visual exposure to our corporate partners.

To continue giving these young athletes elite training opportunities, modern safety equipment, and tournament exposure, we are launching an exclusive tier of corporate partnerships for businesses looking to make a lasting local impact. Our registration fees are purposefully kept low to ensure no local family is priced out of competitive baseball. We would love to feature your company as a cornerstone organizational sponsor this season.

We offer several high-visibility corporate partnership tiers:

Championship Diamond Partner (\$3,500): Elite, multi-team visibility. Includes a standalone custom field banner prominently displayed at Churchich Park all season long, your company's logo permanently printed on the sleeve or chest of all team jerseys across all age groups, prime top-tier logo placement on our homepage, and dedicated quarterly corporate spotlights on our social media networks.

Grand Slam Elite Sponsor (\$2,500): High-impact game-day presence. Includes a standalone custom banner at Churchich Park, your company logo featured prominently on the back of all player outerwear/hoodies, a dedicated individual social media thank-you feature, and prominent placement on our official website.

Vegas Gold Uniform Supporter (\$1,250): Focused branding. Includes your company logo on a shared facility banner, your logo featured on all team practice shirts, a shared monthly feature in our parent newsletter, and an official listing on our organization's digital partner page.

Every dollar goes directly toward tournament registration slots, facility maintenance, and safety equipment. Because we operate as a registered non-profit organization through Nebraska Haymakers Athletics, your generous contribution is 100% tax-deductible. I have attached our complete premium digital corporate partnership packet to this message for your review. I will follow up with your team next week to see how we can best align our program with your local marketing goals.

Thank you for your time, your leadership, and your continued investment in Omaha's youth.

Play ball,

Lee Koenig
